SNIPS AND CUTS

ALMA MATER

Far above the toil and tumult
Of our city's growing might,
Proudly stands our Alma Mater
Shining brightly in the light.
Crowned with wisdom, knowledge, power,
Boldly let her praises ring;
Hail to thee, our Alma Mater,
Hail to Garinger High, we sing.
Hail to thee, our Alma Mater,
Hail to great Garinger High we sing.

GARINGER HIGH

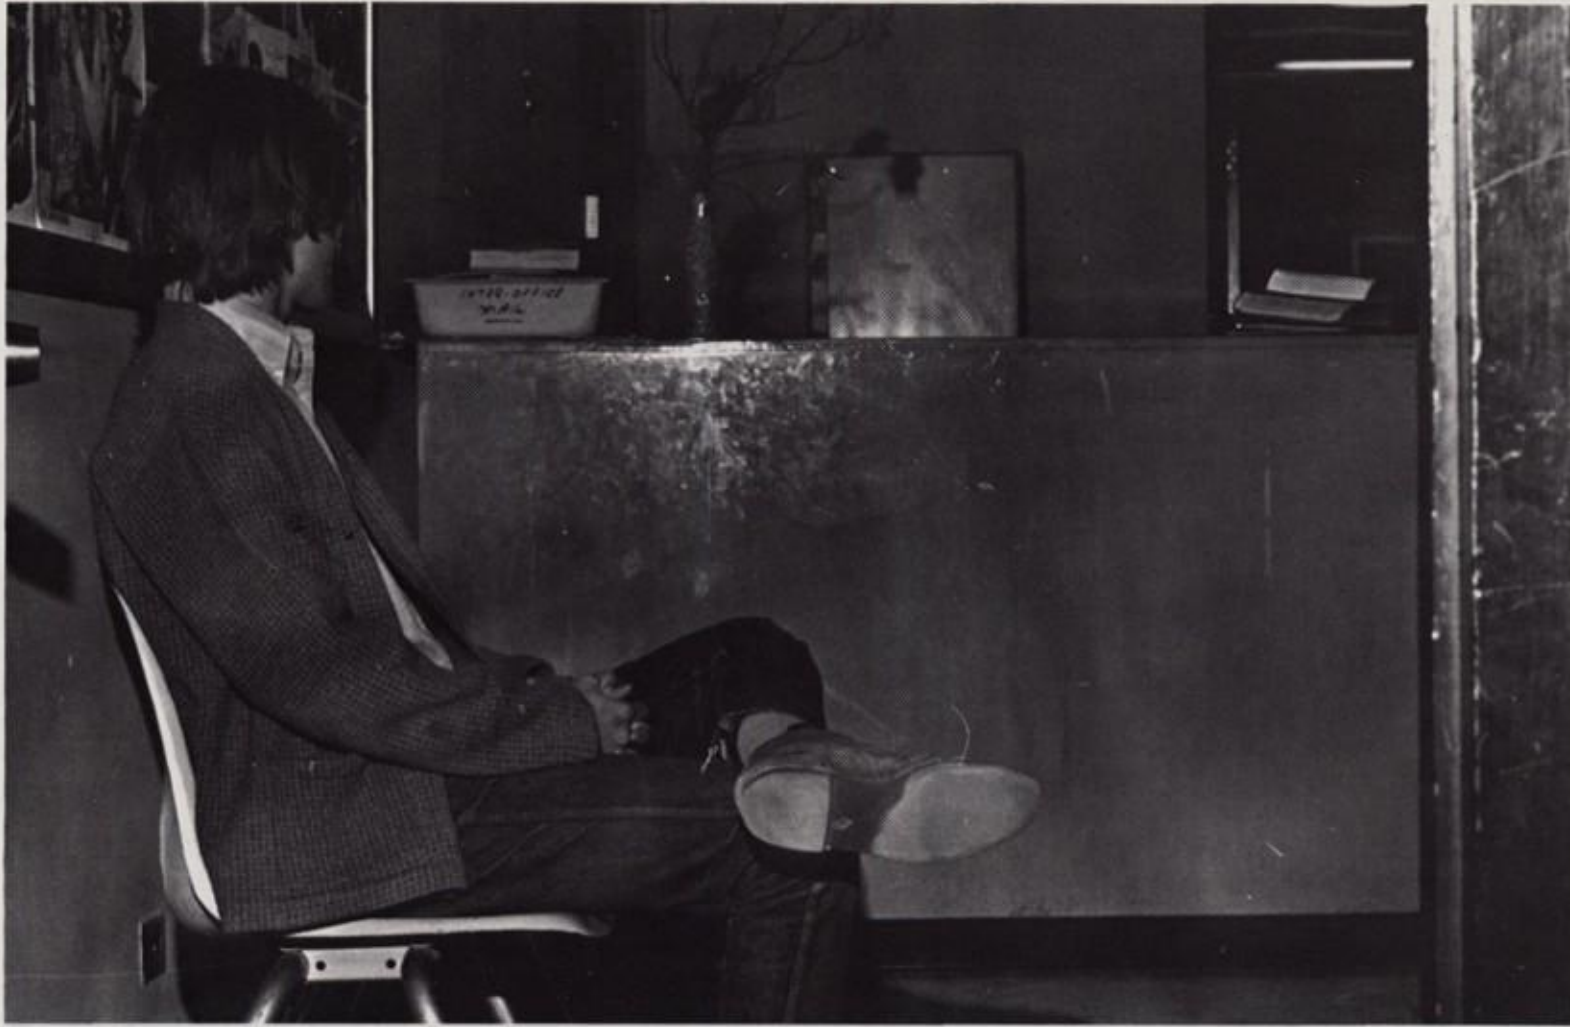

SCHOOL

Charlotte, North Carolina

A DECADE

OF CHANGES

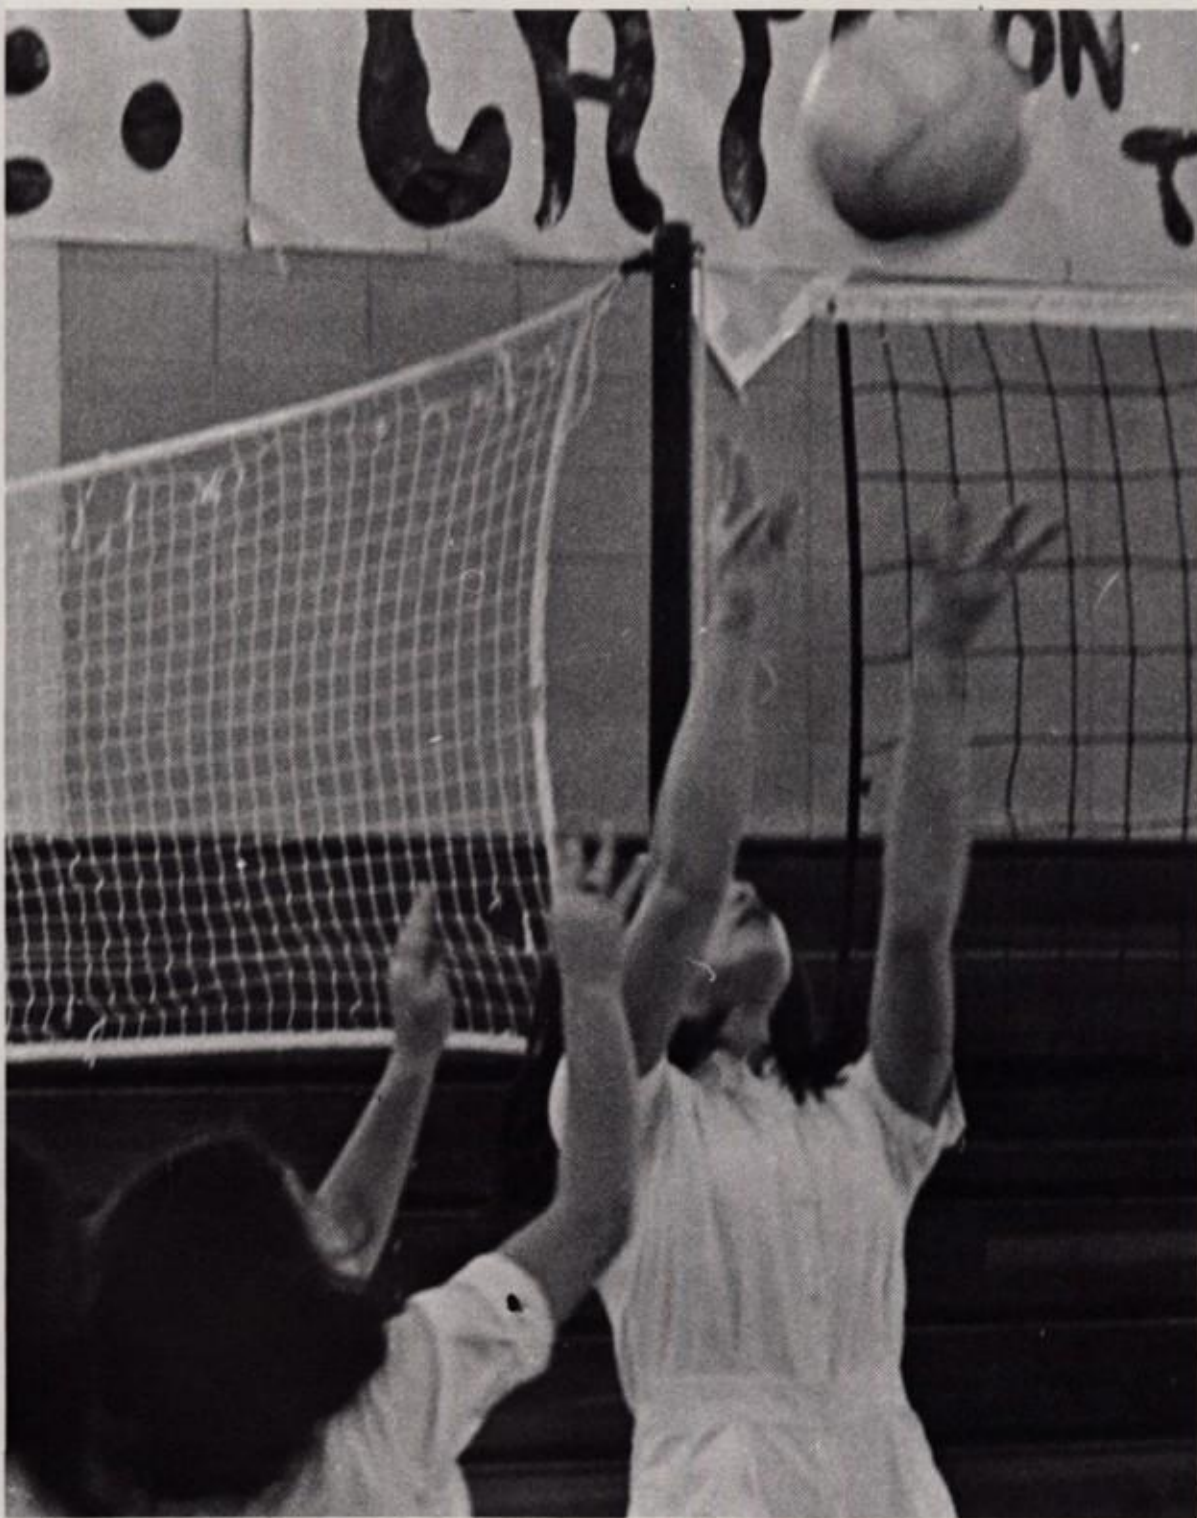

A Changing GHS . . .

Eleven years ago there was no Garinger High School — no "pointed" library, no willow tree, and no fountain. Garinger, with its huge campus of modern buildings, came into existence in 1960. Since that time, many changes have taken place at GHS . . . several buildings have been added, trees have been planted, a fountain has been erected, and just in the past year, letters have changed to numbers, mobile units have been used, and girls have worn slacks to class.

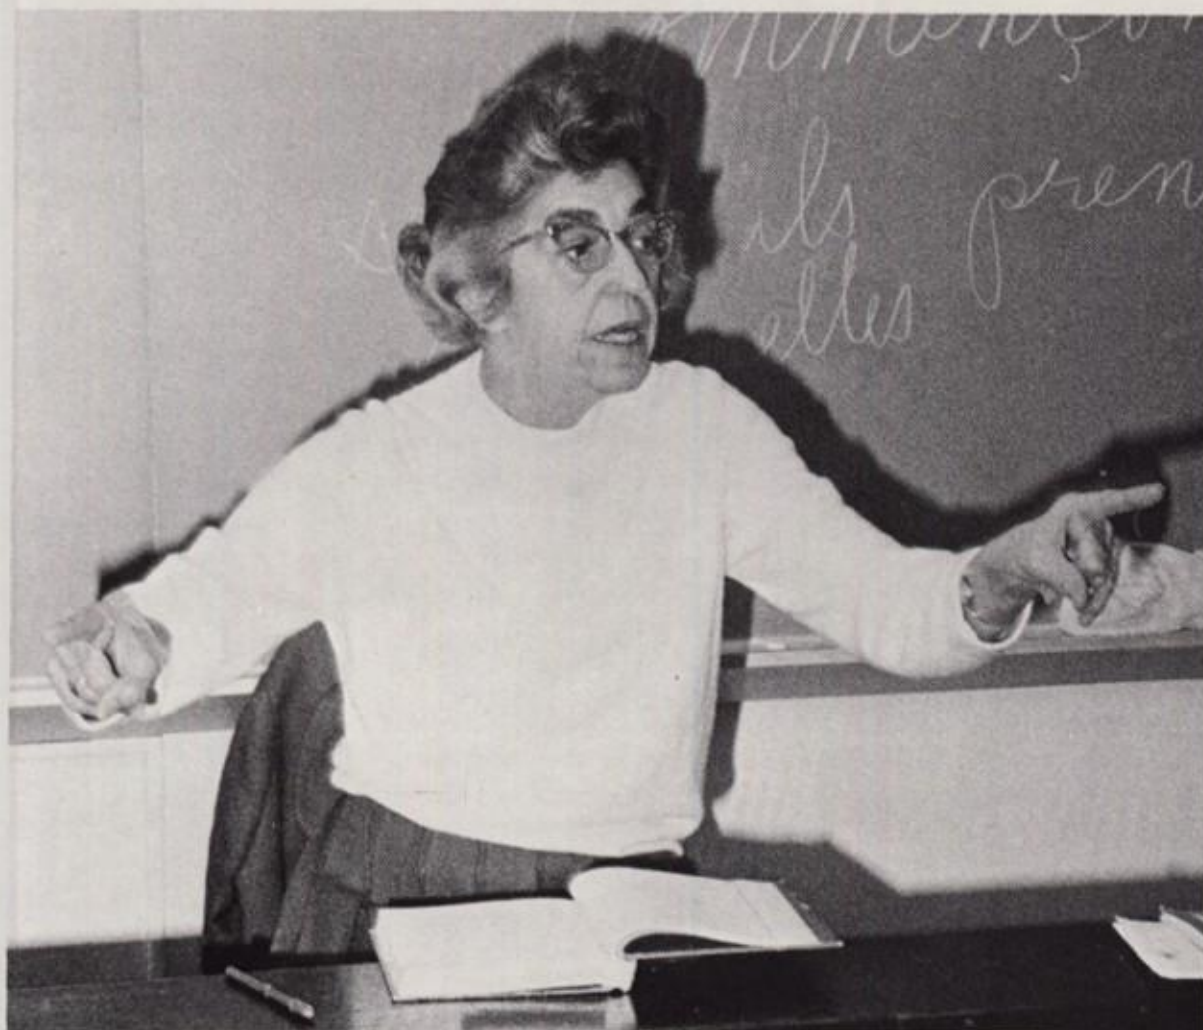

Most of the changes that have taken place in the past decade are changes for the better. Some are not. Nevertheless, Garinger High School, in keeping with the times, has not and will not cease to progress as the years go by.

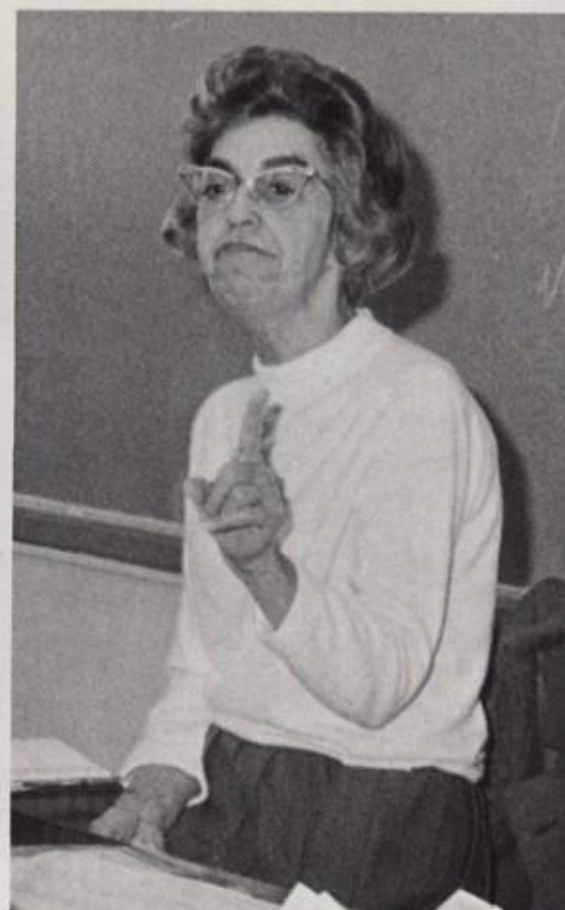

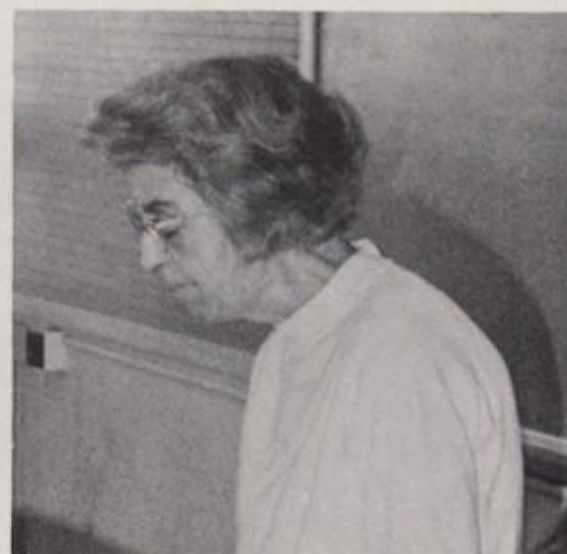

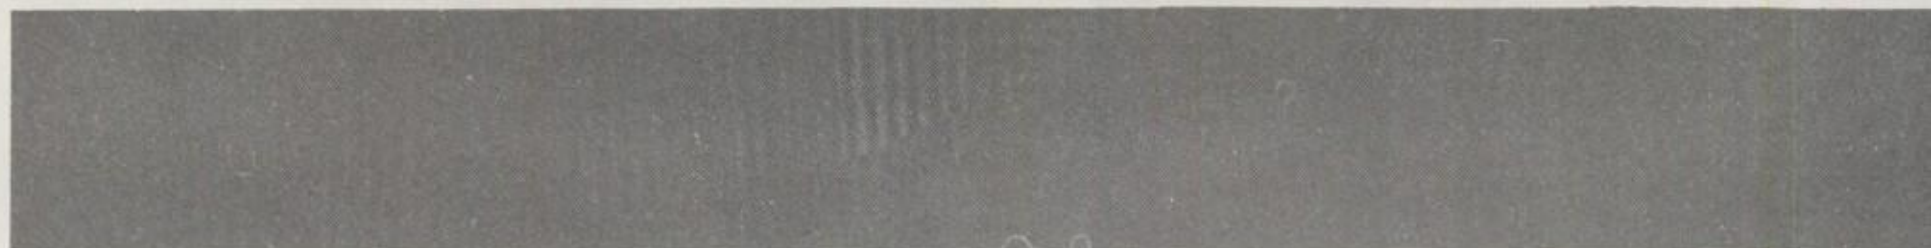

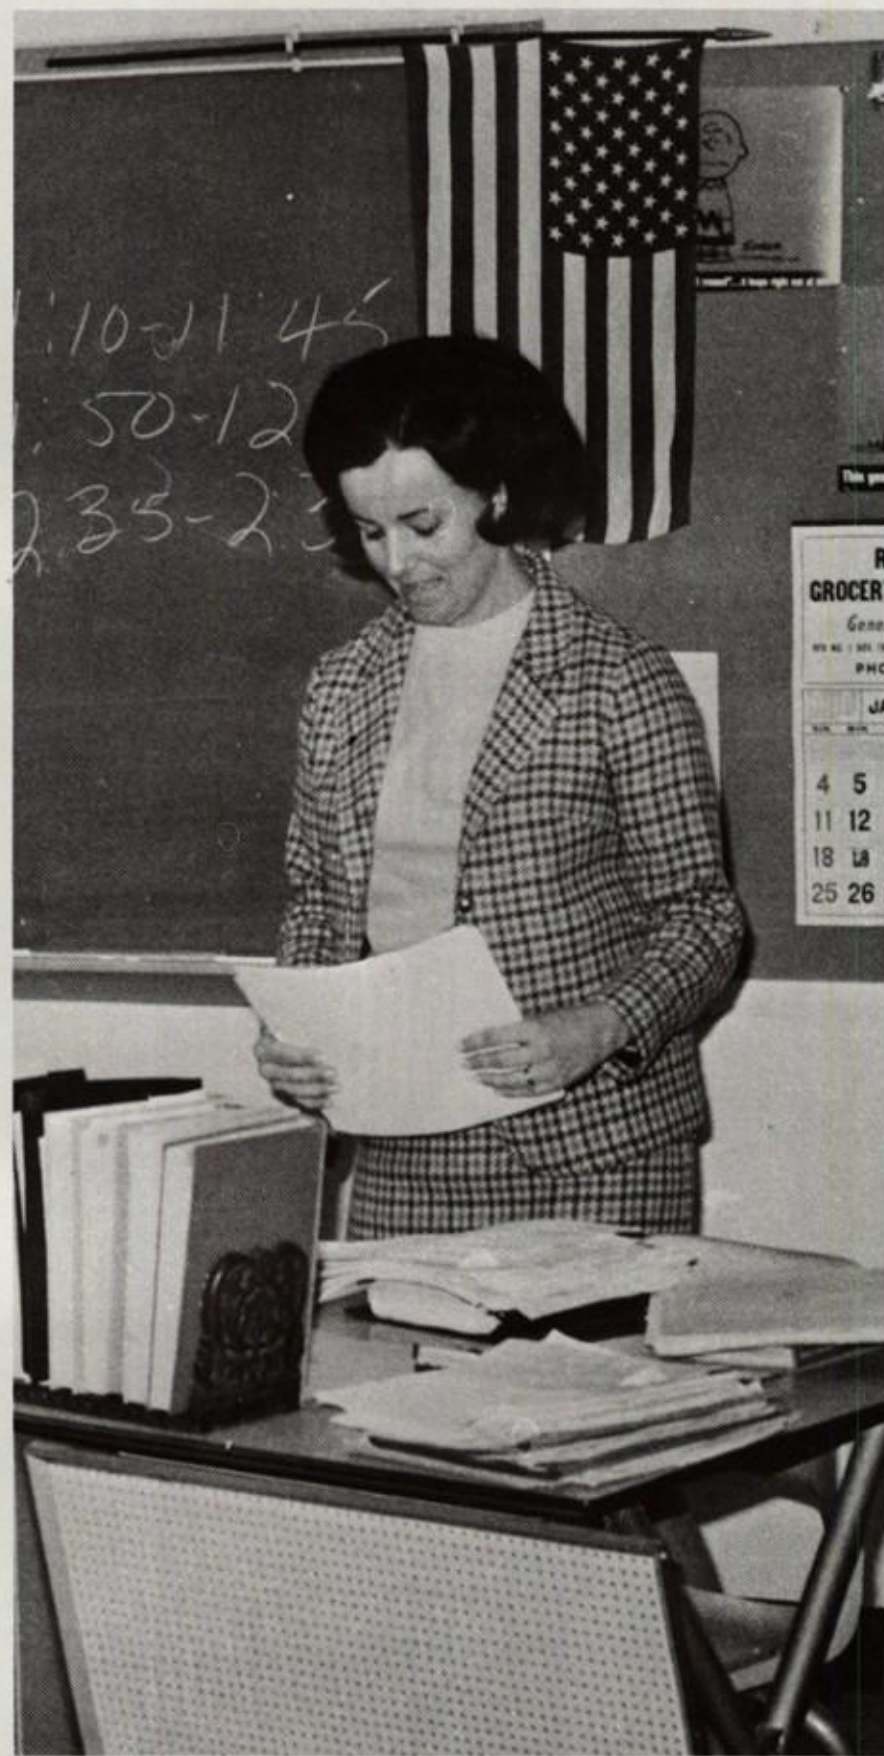

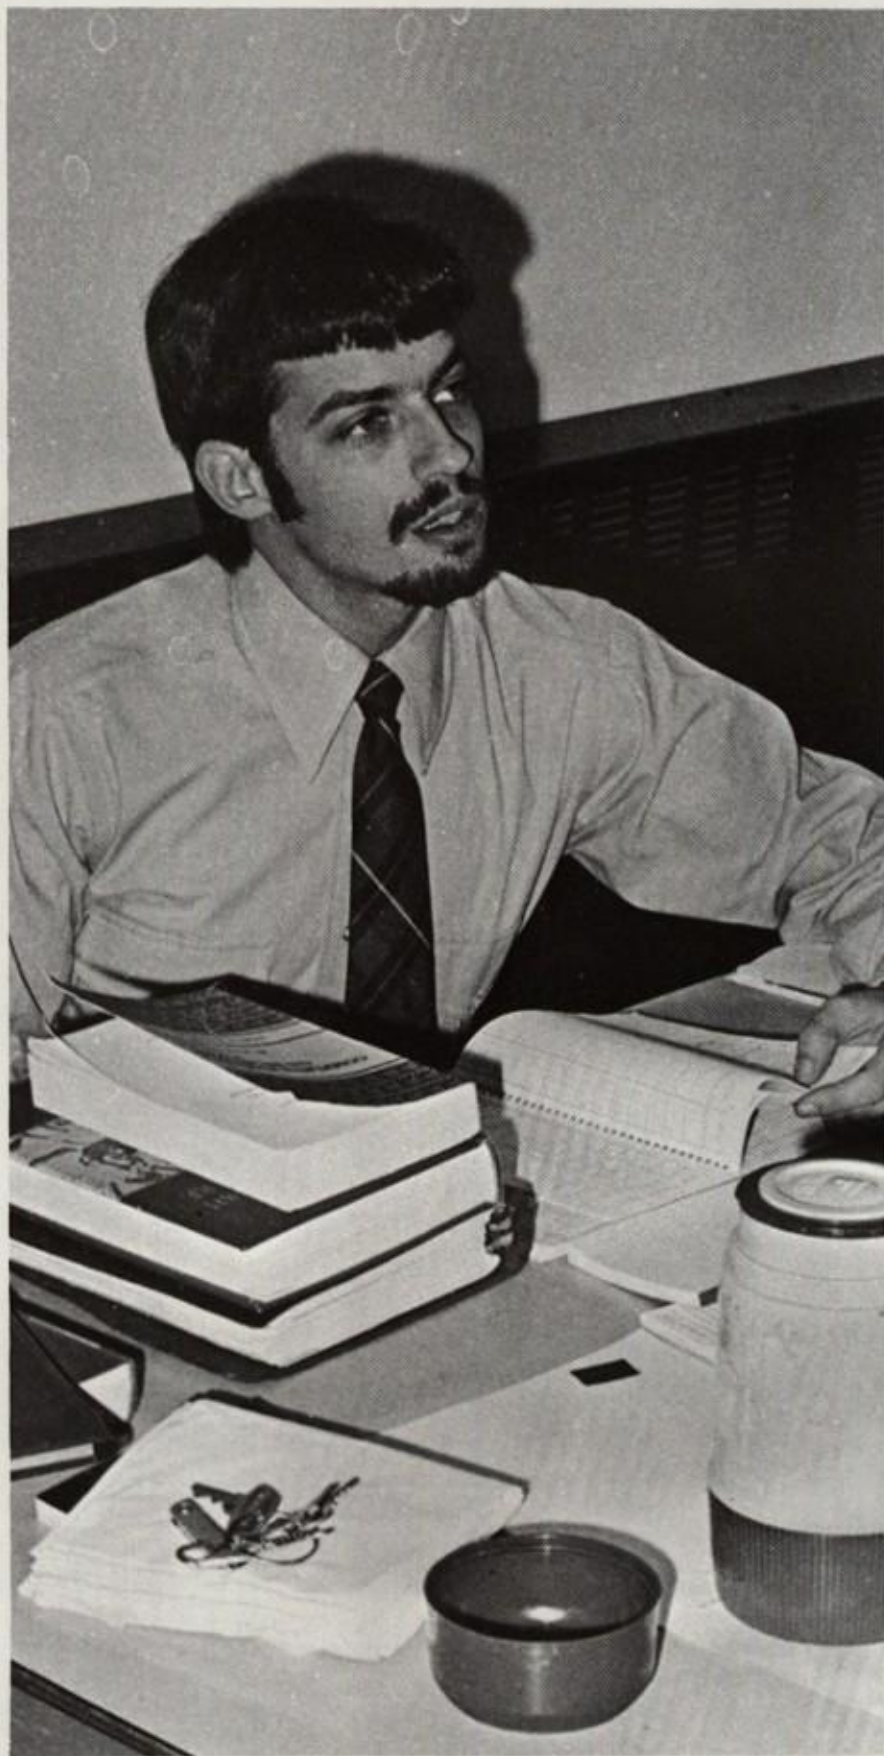

Mrs. Shirley Houck Heinbaugh

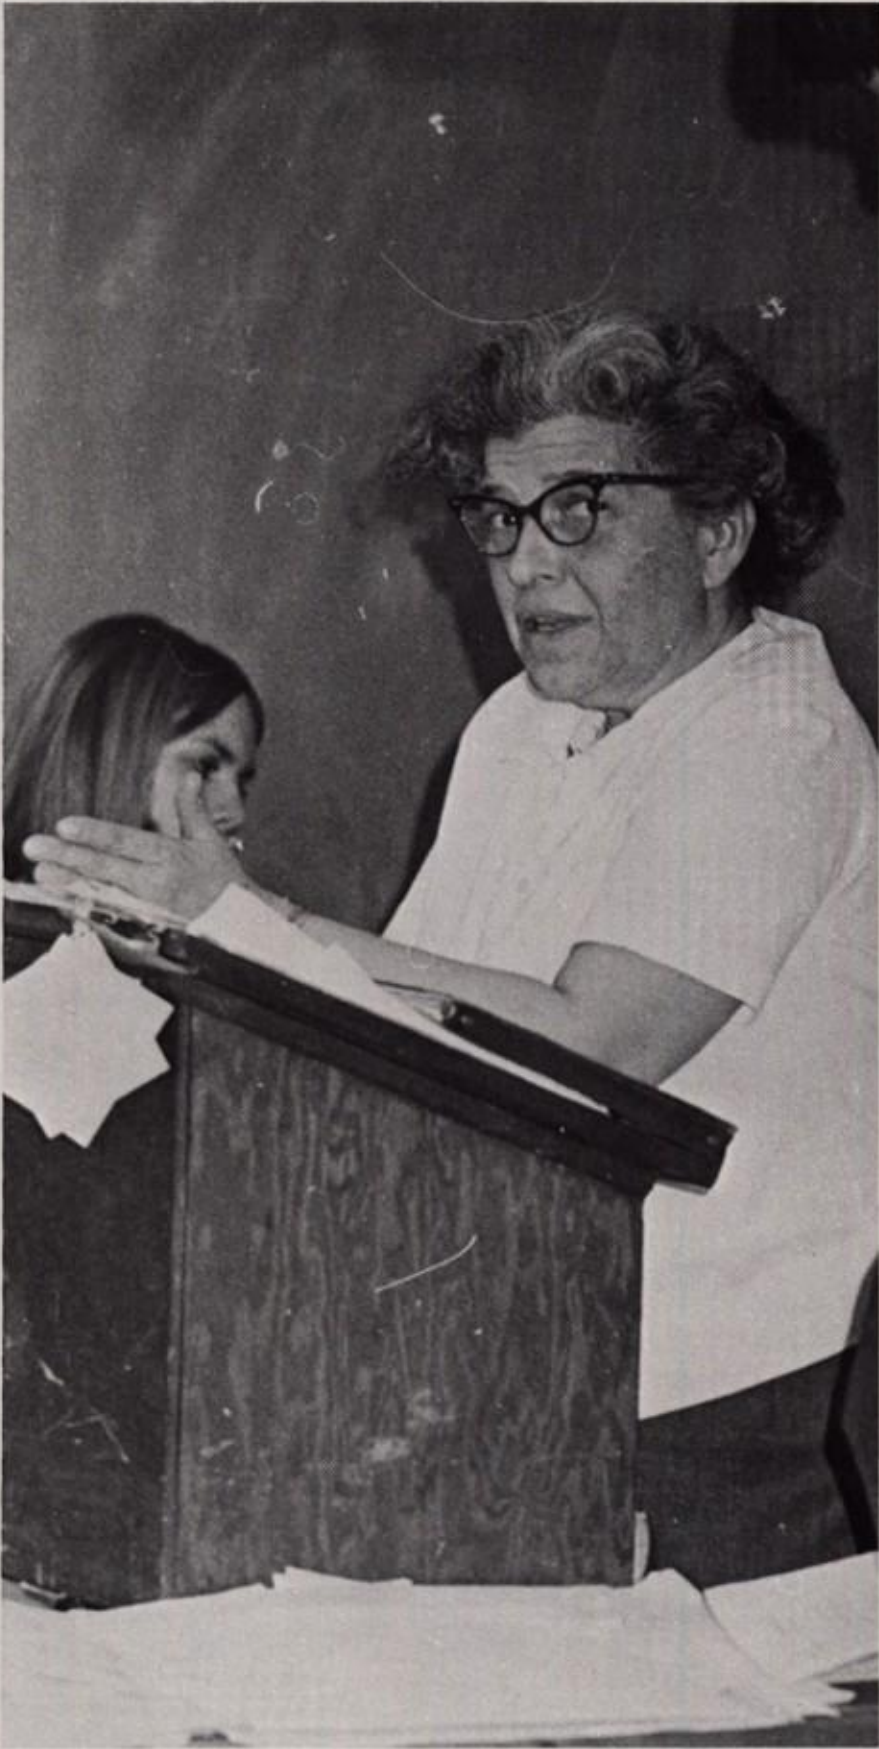

We Proudly Dedicate . . .

. . . the 1970 edition of SNIPS AND CUTS to Mrs. Shirley Houck Heinbaugh in appreciation for her genuine interest in and loyalty to Garinger High School. Mrs. Heinbaugh has taught at Garinger for nine years, during which time she has been advisor to the Latin Club and friend to all. Because of her sincere personal interest in each and every one of her students, she is loved and admired by everyone. We, the 1970 yearbook staff, would like to take this opportunity to thank Mrs. Heinbaugh for being such an outstandingly great Wildcat!

Difficulties Face Administration

Much has been written about the "population explosion". This year at Garinger it became a reality for members of the school administration.

Due to an overflow of new students comprised of sophomores and transfer students, the administration battled against computers to place students in proper classrooms. In addition to scheduling students, the administrative staff was plagued with a lack of teachers and textbooks.

Most students never realize the amount of work required of the administration to make this school year successful.

Counselors Render Aid

Members of the Garinger Counseling Department strive to provide students with those services which may enable them to achieve positive self-direction. To accomplish this purpose, counselors work with students, teachers, parents, and various school and community agencies. They assist students with educational and vocational planning and with personal problem solving.

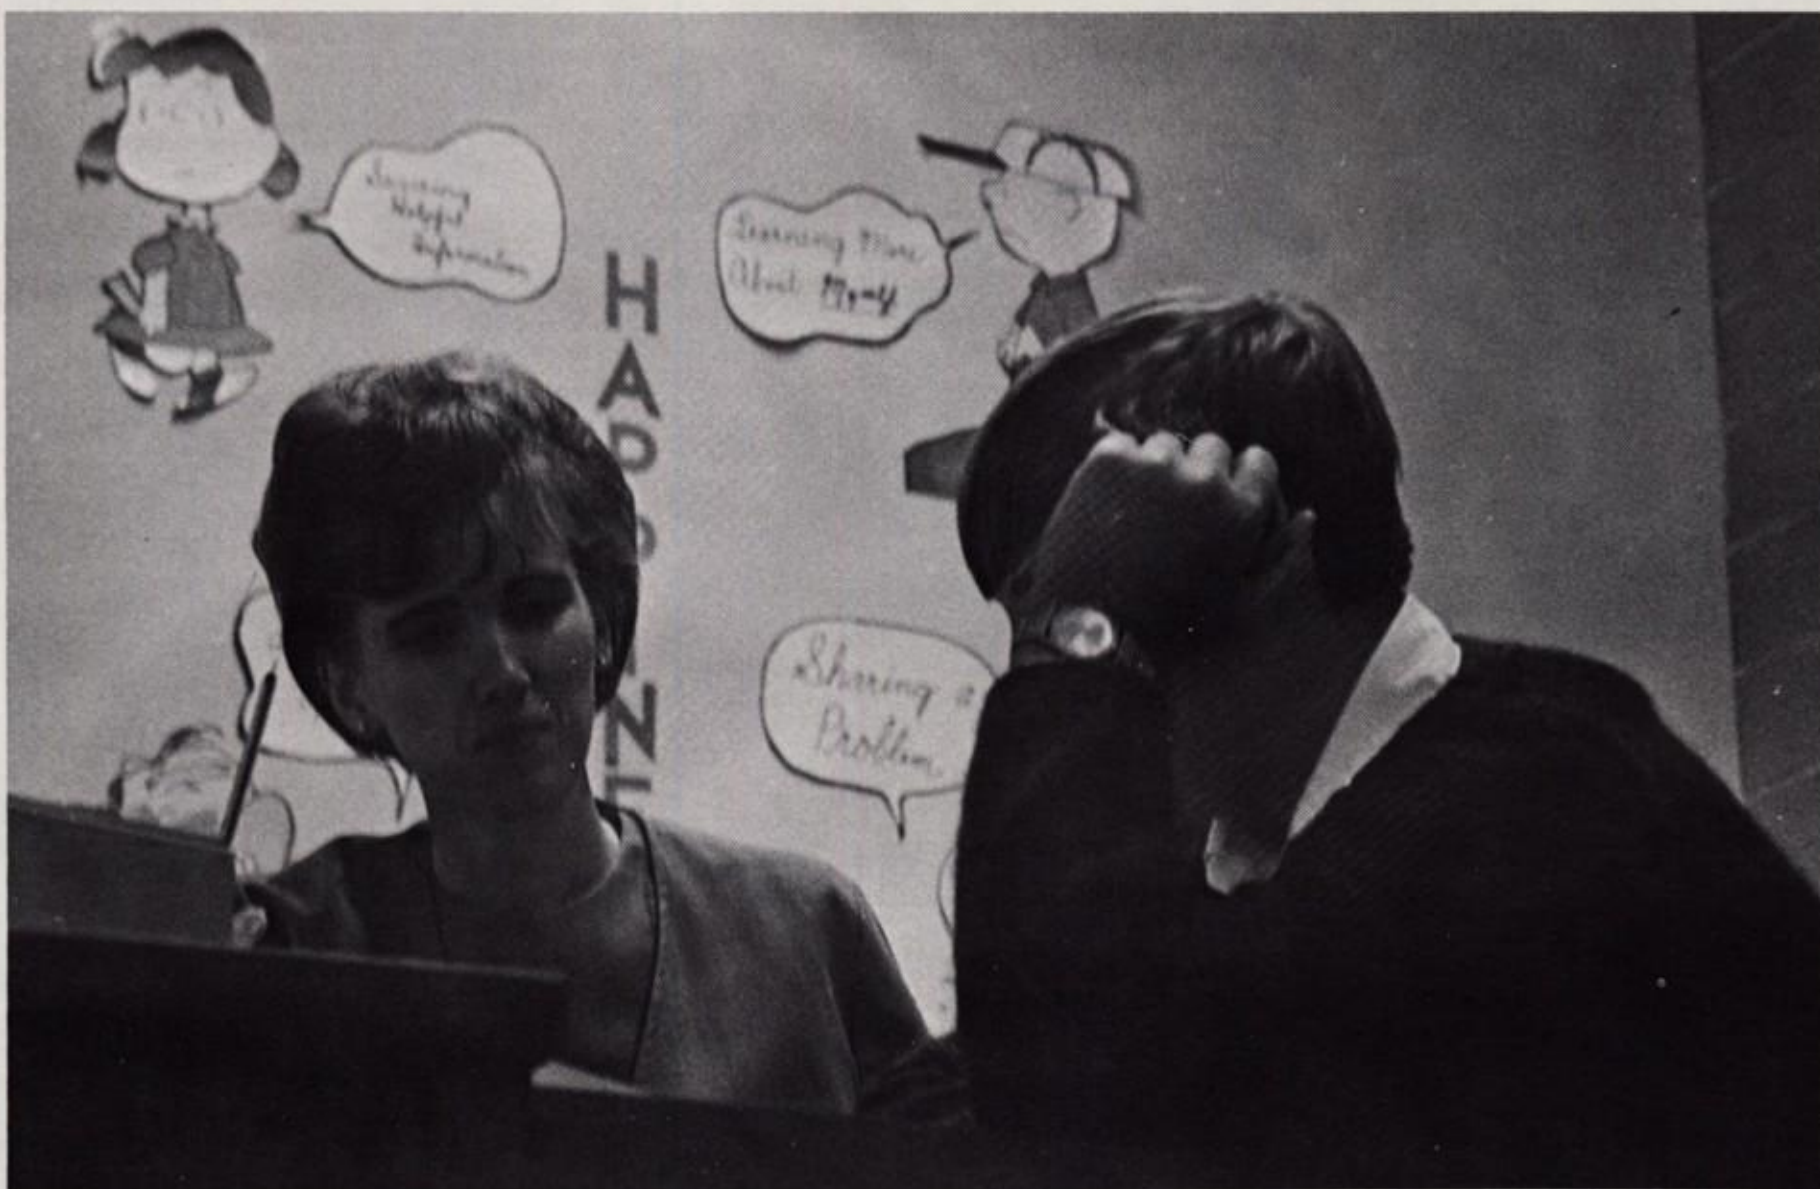

With a pupil-counselor ratio of 500 to 1, it would be impossible for

one counselor to attempt counseling in all areas. For this reason the work load of Garinger's counselors is divided into the following categories:

Vocational Technical training, and Selective Service information—

Problems involving failure to succeed in school—

System-wide testing programs and College and scholarship information.

English: Literature

At one time, French was considered to be the diplomatic language of the world. However, in the past decade it has been replaced by English as the international language. This increasing importance of English in world affairs adds to the necessity for English speaking people to have total command of their language.

In addition to teaching grammar, English teachers at Garinger introduce their students to literature which presents many of the most famous ideas ever penned.

Sophomores may sample a wide variety of authors and works ranging from Hamilton's *Mythology* to works by Dickens and Hemming-

way. Having had a taste of the spice which good literature adds to life, students are able in their junior year to pursue American literature in some depth. They meet characters like the Stagemanager in *Our Town*, and E. A. Robinson's Richard Cory. In the senior year, those who have begun to develop a taste for fine literature can satisfy their thirst for quality with the vintage plays of Shakespere and aged works like Sophocles' *Oedipus Rex* and other Greek tragedies.

Continued study proves that the English language provides a never-ending feast of works which may be savored by connoisseur and amateur alike.

Crowded Conditions Strain Library

With more than 24,000 books, hundreds of back copies of periodicals, stacks of microfilm, copying machines and ever-increasing amounts of red tape, students this year found it more and more difficult to get into the library.

Sporting a unique style of architecture and one of the best book collections in the state, Garinger's library became the center of controversy this year when a system was established requiring students to present a pass signed by a teacher indicating the time and the subject to be studied. This was later repealed, and it was only necessary for a student to indicate what he wished to study in order to be admitted to the library.

Since research is essential to academic progress, Garinger students are fortunate to have such an excellent library.

Understanding Through Languages

Classes conducted in French often raise questions.

As intercontinental travel becomes more commonplace, the need for a basic knowledge of foreign languages becomes greater. Garinger's language department has grown with this importance. There are languages offered to meet every student's interests.

Beginning language students may choose to study fundamental courses in French, Spanish, German, or Latin. If a more detailed study is desired, French, Spanish, and Latin students may continue by exploring history and literature written in the foreign language. These courses give students a glimpse of the culture and heritage of the countries they study as well as the language of the people.

Fourth year French students attend the meetings of the Alliance Francaise where they practice conversing with French-speaking people who live in Charlotte.

African Cultures Added to History

History, taken only as the study of the dead past, could be quite dull, but taken in its true light, it is as fresh and interesting as tomorrow's newspaper. This year history students have been able to say that they witnessed one of the greatest events in history — man's landing on the moon! This conquest has certainly given a more personal touch to the student's study of history.

Even though the pace of history is increasing, it is still necessary to return to the Middle Ages and the

American Revolution to see the succession of events which led to the Space Age.

In addition to his increased technical knowledge, man must also come to a greater understanding of his fellow man. This understanding is the objective of the latest addition to Garinger's history courses—African Cultures. This course emphasizes the achievements and contributions of Afro-Americans to our society. The classes benefit from a weekly television program entitled "Americans from Africa".

Reasoning Power Strengthened

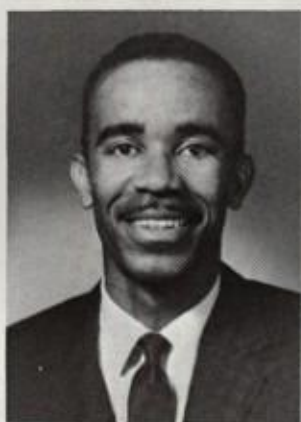

Mathematics is more than just a study of numbers; it develops the reasoning power of the individual. Its students are challenged to explore the realms of the infinite and the undefined. Math is not merely a useless study of theories. Numbers are tools that can help divide an apple or split an atom.

Garinger offers a wide variety of fields of study. For those who are inclined only to the fundamentals of mathematics, General Math is offered. Courses in algebra and geometry provide a background for more detailed study. Students with a genuine interest in mathematics may choose to study Advanced Math, Math Analysis, or Math Concepts.

Science: New Safety Measures

In this age of heart transplants, space travel, synthetic leather, and wonder drugs, no amount of emphasis would be sufficient to point out the importance of science in everyday life. Science teachers at Garinger strove to furnish students with a basic understanding of the large role which science plays in our society. This year, students were able to pursue studies in chemistry, biology, and physics.

Well equipped labs provided a place for students to put their knowledge to the test. Whether the course was fundamental or detailed, a new state ruling required all students to wear goggles when handling potentially dangerous materials.

Man has made many valuable discoveries in the past, but there are still unanswered questions which face modern scientists. Those who studied science at Garinger this year could well be the ones who will help find answers to these questions.

New Opportunities in Home Ec.

Homemakers in today's world have opportunities beyond the limited possibilities offered them as cooks and seamstresses. In addition to learning cooking and sewing, Home Economics students this year had the opportunity to participate in a Cooperative Education program. Students worked two hours each morning at Shamrock Elementary School as teacher aides.

Regular departmental activities included visits to a poultry farm, arranging showcase windows in 100 and 300 buildings, hearing a clothing representative speak, and dining in a restaurant. These activities were offered to boys as well as girls. Home Economics classes educated students in the fine art of making a house a home.

Commercial: Unlimited Opportunities

Speed is essential in taking dictation.

Opportunities in the business world are numerous to qualified high school graduates. Our Commercial Department trains students as efficient and competent office aides. With the adequate facilities at Garinger, students learn in the atmosphere of an office. The experience obtained here is valuable later when students are on their own.

With a selection of courses, which includes typing, shorthand, and data processing, the business student is well prepared and qualified to accept the responsibility of an office job upon completion of his course.

Vocations: Key to the Future

One of Garinger's outstanding features is its vocational department. Students seek to prepare themselves for future work by becoming proficient in various crafts.

Drafting, photography, electronics, printing, radio broadcasting, and various other related skills are offered.

Well-equipped working space is provided in the vocational building to allow students to put their knowledge to practical use. New radio broadcasting equipment was installed providing Garinger students with the facilities needed to record and broadcast radio programs. Printing classes printed the school literary magazine as a project in the spring.

By supervised practice in the classroom, students gain valuable experience which will give them a decided advantage when making future job applications.

Communicate Through Music

"I wish it was mint flavored."

Mr. Robert Maddox
Mr. John Sanders

With the "generation gap" today, it may sometimes be difficult to communicate through words. New media of self expression can be discovered through study of music.

Instrumental music is designed not only to aid students in mastering an instrument, but also to impress upon them the importance of interpretation and feeling in music. The choral department attains the same effect using voices instead of instruments. A relatively new course in music theory teaches development and arranging of music.

Garinger's department of music is composed of noted groups that set the tone for many school activities.

Mr. Sanders—"The Music Man".

Art: "Do Your Own Thing"

Some of the great talents of tomorrow are being discovered at Garinger today. Aided by modern equipment and supplies, as well as the inspirations of the old masters, art students have been able to find a means of self-expression in their work.

This year emphasis was placed on such crafts as ceramics and

rug-making in addition to drawing and painting. For those who still preferred the brush, acrylic polymers offered a new media with tremendous possibilities.

Besides participating in class activities, art students contributed their time and talents to illustrate the literary magazine.

Phys. Ed: "Exercise for Excellence"

Well rounded people are not only sound of mind and well-versed in literature, science, and languages, but are also physically fit. Members of Garinger's Physical Education Department know that good health and physical fitness are essential to the well-being of the student.

Realizing this, the department presents a wide variety of sports and activities which build coordination and endurance. Girls are offered everything from field hockey and track to gymnastics and tennis, while boys prove their stamina in such sports as wrestling, weightlifting, and cross country.

Driver's Ed. Safety First

All Charlotte-Mecklenburg students are required to successfully complete a course in driver's education before they may obtain a driver's license. It is hoped that education in safe and defensive driving can check the unfavorable accident statistics which are increasing each year.

Insurance figures show that most of our nation's accidents involve people under twenty-five years of age; however, with better vision and quicker reflexes, young people are potentially the best drivers.

Garinger's driver's education program, both in the class and on the road, tries to impress upon young drivers that they must take responsibility as they take the wheel.

Cafeteria - Custodial Staffs Back Cats

This year's overload of students kept the custodial and cafeteria staffs working over time. Their dedication and hard work did much toward keeping Garinger clean and healthy.

Cafeteria staff members could be found at work early each morning preparing large quantities of food for our many students and teachers. Custodians worked long into the afternoon in order to get the building and grounds ready for another school day.

Receiving little credit for a job which merits much recognition, both staffs worked daily to meet the needs of a growing school.

1969 - 70 Mascots

Denise Marie Wilson and Curtis Bryan Paarman were chosen as the 1969-1970 Mascots at a senior assembly in December. Denise, sponsored by Kathy Goodwin, and Bryan, sponsored by Sally Marzione, were chosen from a group of over thirty four and five year old nominees. The nominees were presented to the audience and were asked several questions. Denise entertained the seniors with her "fireball cheer" and Bryan sang to the tune of "Oh Suzanna". The Mascots will attend some of the Garinger events during the year.

Tommy Roe Judges Garinger's Beauties

This year Garinger's beauties were judged by the good-looking and successful singer, Tommy Roe.

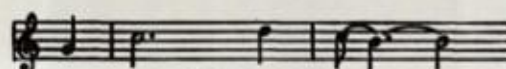

Tommy was born in Atlanta, Georgia in 1943. Standing six feet tall and weighing 170 pounds, Tommy is the kind of guy that all girls dream of. Most of Tommy's songs are simple and happy, such as his hit songs — "Sweet Pea", "Dizzy", "Heather Honey", and "Jam Up and Jelly Tight". His hobbies include writing songs, painting, playing football, and lifting weights. Tommy's talent, good looks, old-fashioned courtesy, and gentleness combined with a strong masculinity, all add together to make him the successfully great guy he is.

Homecoming

One of the most outstanding events of the football season is the Homecoming and the greatest tradition of this game is the crowning of the Homecoming Queen. At the eleventh annual Homecoming game at Memorial Stadium, Carol Wedel was named Garinger's Homecoming Queen for 1969-1970. Carol, who sponsored senior football player John Johnson, was chosen by the senior football players. She reigned at the Homecoming game and Homecoming dance.

During the coronation ceremony, the chief event of halftime, the identity of the queen was first made known. She received the crown from Kay Starnes, the reigning queen, and was crowned by Mr. Sanders, principal of Garinger.

Carrousel Princess

Donna Maria Hayden was chosen by the members of the senior class to represent Garinger in the Carrousel Parade on Thanksgiving Day. Donna was one of the many outstanding girls from high schools in both North and South Carolina who participated in the parade. This annual event commences the festivities of the Christmas season.

Donna also attended the Band Showcase and was present at the crowning of the Carrousel Queen. She was honored by being selected as Miss Congeniality by the other participating Princesses. Carrousel Princesses are chosen on the basis of poise, grace, regal bearing, and beauty. Donna is a well deserving recipient of this coveted title.

Miss Blue and Gray

On the night of November twenty-fifth, 1969, an event took place that will hopefully become a new tradition at Garinger. Miss Robin Black was crowned Miss Blue and Gray of 1969-1970.

The Miss Blue and Gray Pageant was sponsored by the Student Council for the first time this year. The judges—Elmer Horton, staff photographer of **The Charlotte News**; Lucy Welch, fashion co-ordinator for Ivey's; and Susan Jetton, staff writer for **The Charlotte Observer**, had observed the girls the night before the pageant and had selected ten finalists on the basis of poise, personality, talent, and appearance. Each of the ten finalists presented the audience with a demonstration of her talent. Miss Pam King was the first runner-up, and Miss Mikki Faille was second runner-up. The Ernie Bonner Trio, featuring Dave Kelsey, a teacher from Garinger, provided the music while Pat Philmon sang "This Guy's in Love With You".

At the end of the night, Steve Cochrane, Master of Ceremonies, crowned Robin Black, and she was presented with a dozen red roses. Robin, who stands five feet tall with long brown hair and brown eyes brought peals of laughter as she presented her imitative dance to "I Like Onions".

Miss Robin Black

Valentine Queen Crowned

Valentine Queen was chosen by the student body from a group of girls nominated by the RAMBLER Staff. The top seven girls were presented on February 13th during a basketball game halftime. They were seniors Mikki Faille, Debbie Long, and Robin Martin; juniors Allida Stephens and Robbie Isenhour; and sophomores Lynn King and Wanda Winchester. Mikki Faille was crowned Valentine Queen of 1970 and presented with red carnations.

Carol Goes to Chile

This past summer, Carol Baker was honored by being selected as a foreign exchange student to Chile. Carol was sponsored by the Charlotte Foreign Exchange Student Program that promotes international goodwill and understanding by offering select students the chance of living abroad as "sons" and "daughters" of families in other countries.

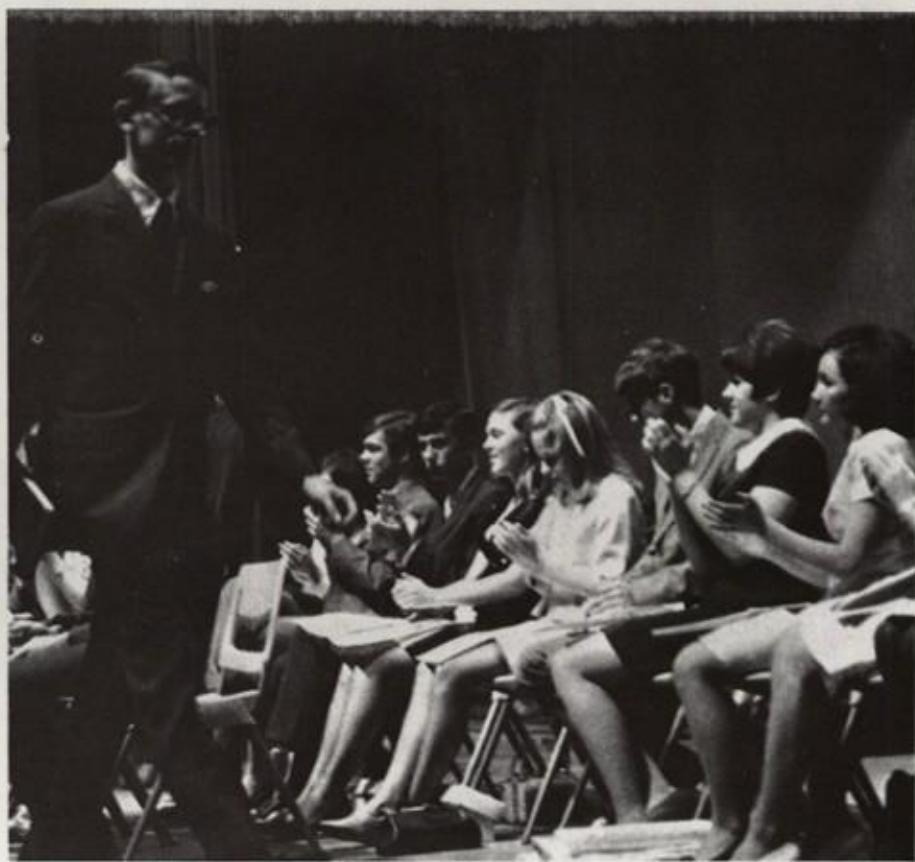

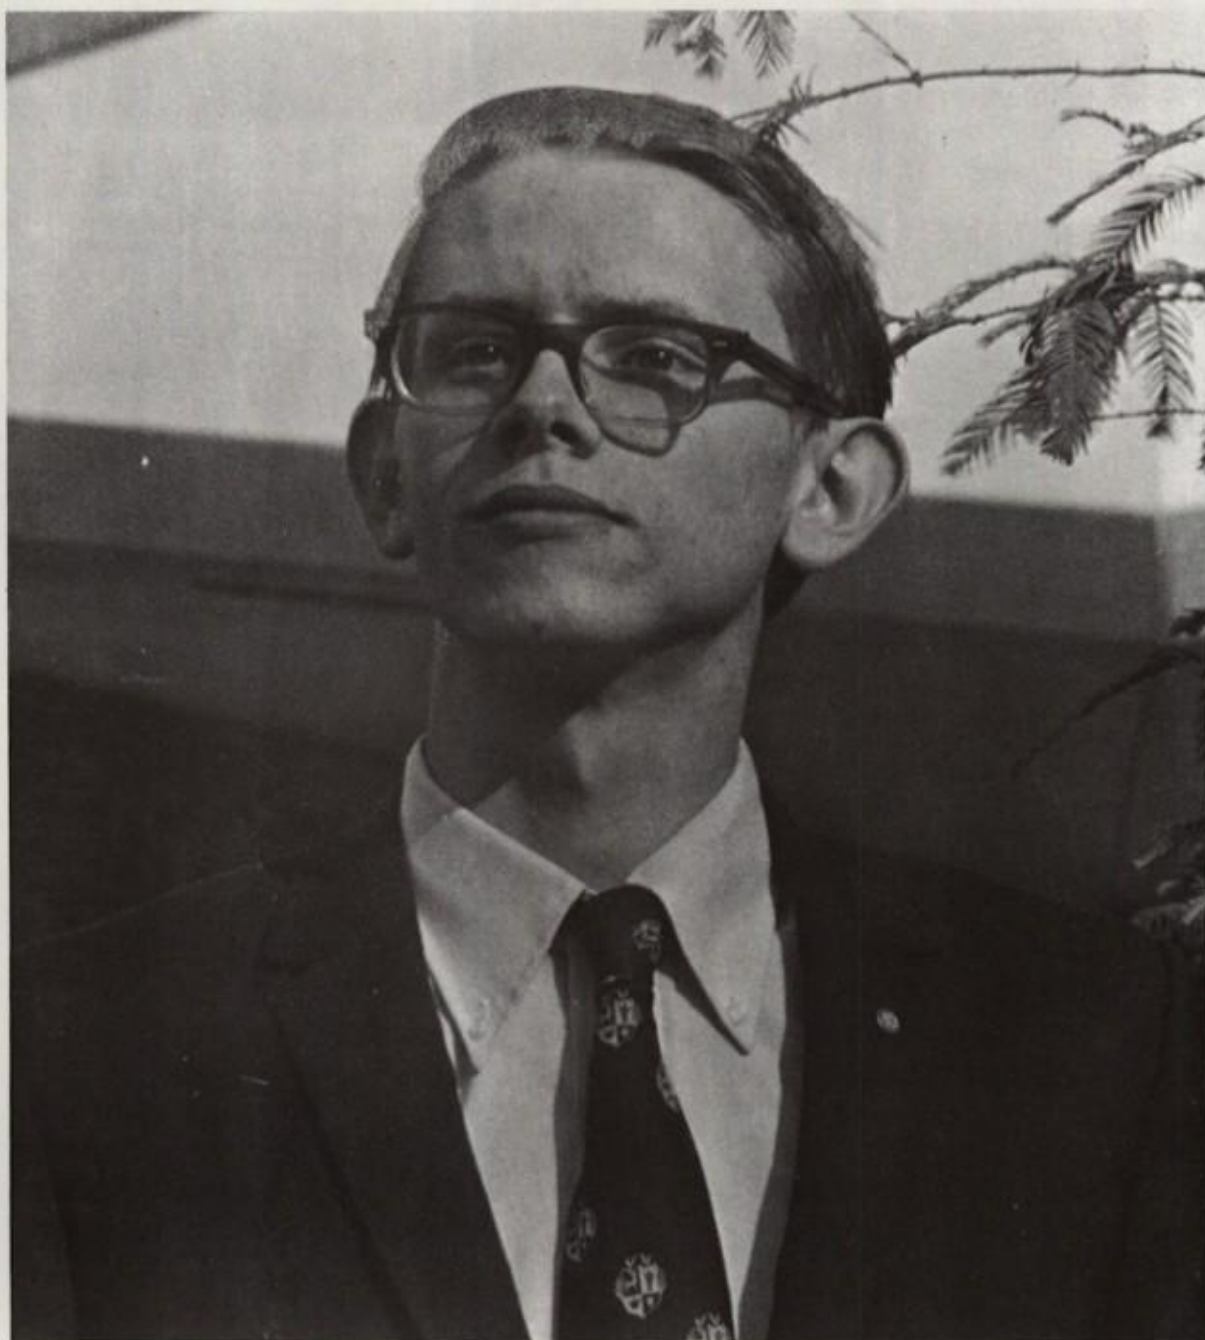

Carol spent two and a half months in Santiago, Chile with her adopted family, the Sollhuhers. She attended Santaursula College, run by German nuns, with her "sister", Monica. While she was there, Carol participated in such activities as horseback riding over the Andes Mountains, traveling through the Chilean Desert, and visiting ancient archaeological sights. Carol came back with a broader and more understanding view of life in South America.

Harvard Book Award

The Harvard Book Award is an award presented to a rising senior boy due to his superior scholarship and outstanding character. Randy Butler was chosen by the principal and members of the faculty to receive the Harvard Book on Honors and Awards Day. The Harvard Book contains a collection of articles written by Harvard graduates to inspire the student who receives it to continue his achievements throughout college.

Governor's School

LEFT TO RIGHT: Sara Newman, Melanie Hilder, Patsy Hendricks, Beejie Funderburke, Darcy Bowman, Lisa Weaver.

This past summer eight students from Garinger attended Governor's School in Winston-Salem, North Carolina. These students were Darcy Bowman for art; Patsy Hendricks, Sara Newman, Sherry Blackwell, Beejie Funderburke, and Melanie Hilder for instrumental music; Lisa Weaver for dance; and Sara Slechta for drama.

Governor's School is a school for highly gifted or talented high school students who are rising juniors or seniors. The selected students study the particular field in which they are especially talented. The school is in session from June twenty-second until August ninth.

The eight students from Garinger were chosen by Miss Inez Bankett and Mr. Ed Sanders on the basis of their outstanding qualities.

Morehead Semi-Finalists

The Garinger Faculty Nominating Committee nominated four students to be considered for the Morehead Scholarship. These students were Randy Butler, Steve Cochrane, Jimmy Houston, and Frank Ponce.

After students are nominated by their schools, they must be further recommended to a District Selection Committee after interviews are held.

Out of the outstanding students nominated from the Charlotte Mecklenburg High Schools, Jimmy Houston and Randy Butler were selected as two out of twelve semi-finalists.

The Morehead Scholarship is a grant for undergraduate study leading to a Baccalaureate degree. The nominees are judged on the basis of character, scholastic ability, extracurricular attainments, outstanding citizenship, truthfulness, devotion to duty, manhood, and courage.

Jimmy Houston and Randy Butler.

Donna Wins D.A.R. Award

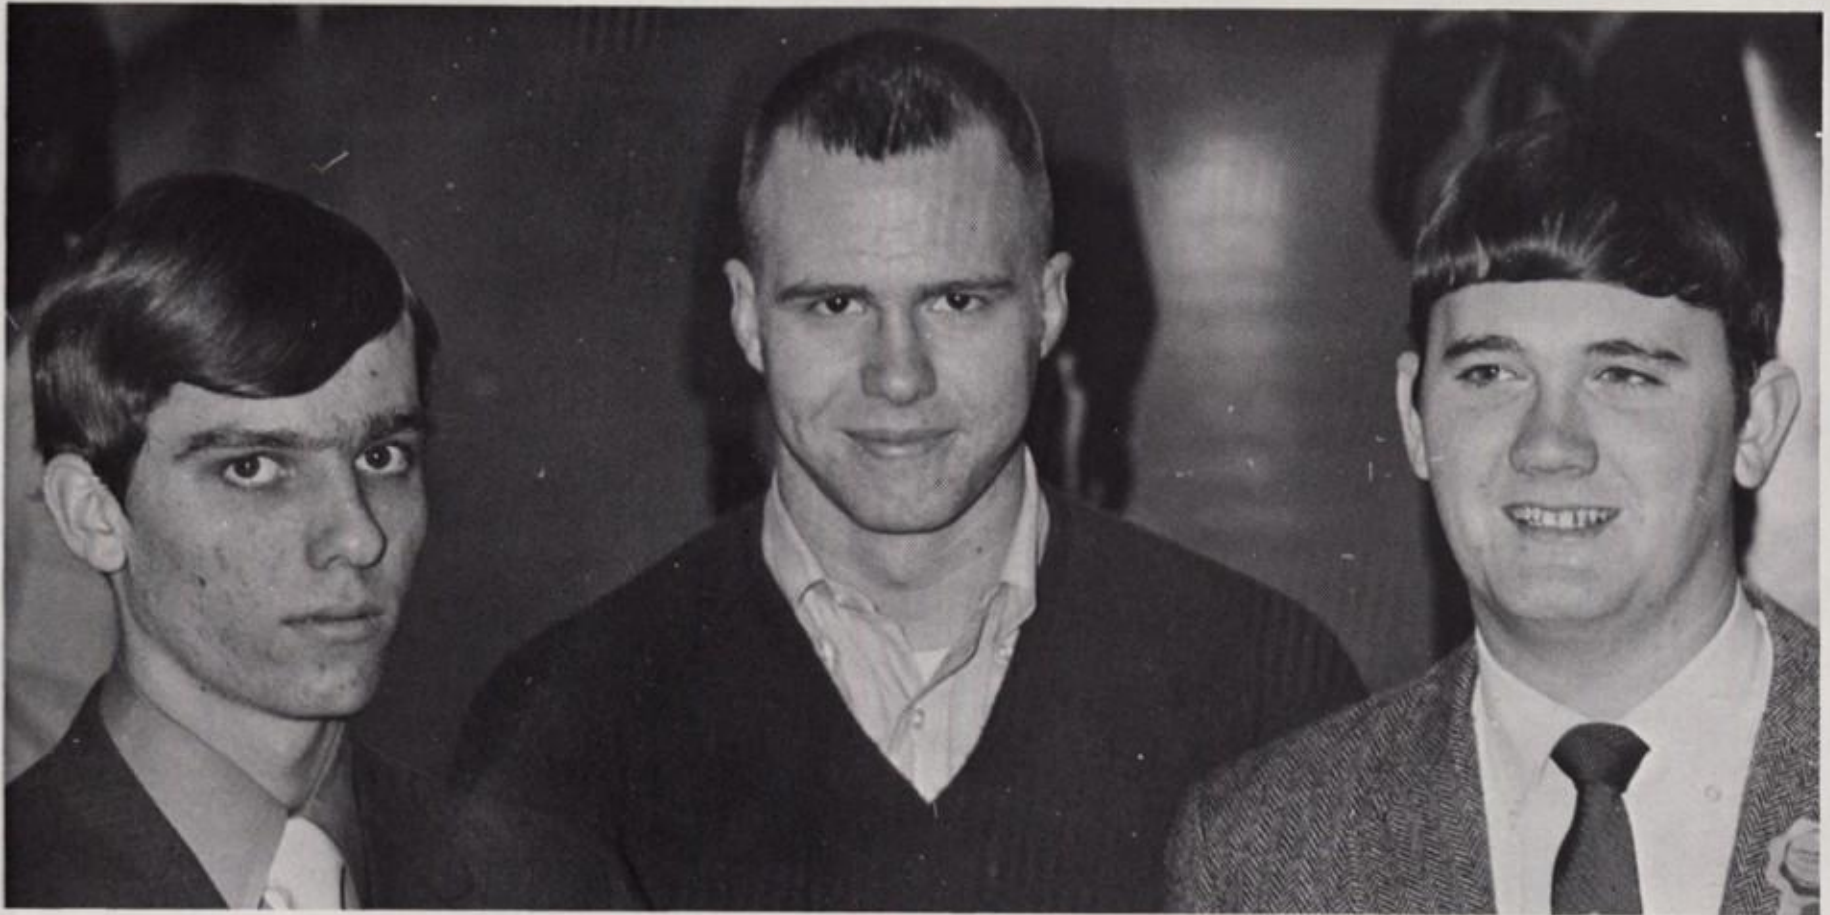

Donna Hayden was selected by the senior girls of her class to receive the D.A.R. Award on Honors and Awards Day. The D.A.R. Award is presented by the Battle of Charlotte Chapter of the Daughters of the American Revolution to a girl who possesses the qualities of dependability, leadership, service, patriotism, citizenship, and scholarship. Donna well deserves this distinguished award.

Boys' State

Boys' State, sponsored by the American Legion, is a one-week project held each year at Wake Forest University. Garinger's candidates this year were Karl Sawyer, Mike Torrence, and Eddie Williams. These boys were selected on the basis of scholarship,

leadership, and interest.

The purpose of Boys' State is to inform ambitious young people about the government of our state. This purpose is accomplished by means of workshops, classes, and lectures.

Karl Sawyer, Mike Torrence, and Eddie Williams

Girls' State

Each year Girls' State is held at the University of North Carolina at Greensboro. Girls' State is sponsored by the American Legion Auxiliary. Garinger's representative to Girls' State this year was Becky Prophet. During the week she was there, Becky learned about leadership, citizenship, and participation in government.

Marshals

Chief Marshals: Scott Milliman, Frank Ponce, Carol Baker, Debbie Kemenczky, Chuck Adams, Randy Butler.

Each year outstanding juniors are chosen to act as commencement marshals for the graduating Senior Class. These students are chosen on the basis of scholarship, citizenship, and all around excellence. Although the duties of the marshals are few, being a marshal is one of the greatest honors that can be bestowed on a student.

After being nominated by their homeroom teachers, these select juniors are voted on through secret

ballot by a committee of faculty members. At the baccalaureate service and the graduation exercises, the marshals distribute programs and escort parents, guests, and seniors to their seats.

Six chief marshals are chosen from the number by the marshals themselves. The chief marshal escort the seniors to their seats and to the stage to receive their diplomas.

Student Council

Steve Cochrane, President

Bill Warren, Vice-President

Francis Yarborough, Secretary

Donna Hayden, Treasurer

As a whole, Garinger is composed of many organizations — social, academic, and service. Yet there is one organization which is the center of all these and the core of Garinger High School. This organization is the Student Council. Composed of various committees and representatives for the student, the Student Council is designed to lead the school in major projects, handle important affairs, and promote spirit and interest among students.

As money-making projects, Student Council sponsored the "Miss Blue and Grey" Pageant and a Rock Concert. During the year, the officers attended conventions where they studied leadership

qualities. In order to better relationships among Charlotte schools, the Student Coordinating Council, consisting of students from all schools, was formed. Two members of Garinger's Student Council represented Garinger at the meetings — President Steve Cochrane and Sherry Salyer.

This year one of the main aims of the Student Council has been to build up the pride in the school. It is school spirit and interest that builds up pride and keep a school together, and in a school as large as Garinger this is a tremendous task. Garinger is the largest school in the state and the student Council has strived to make it the BEST!

Staff

Mr. Jesse Reich, Advisor

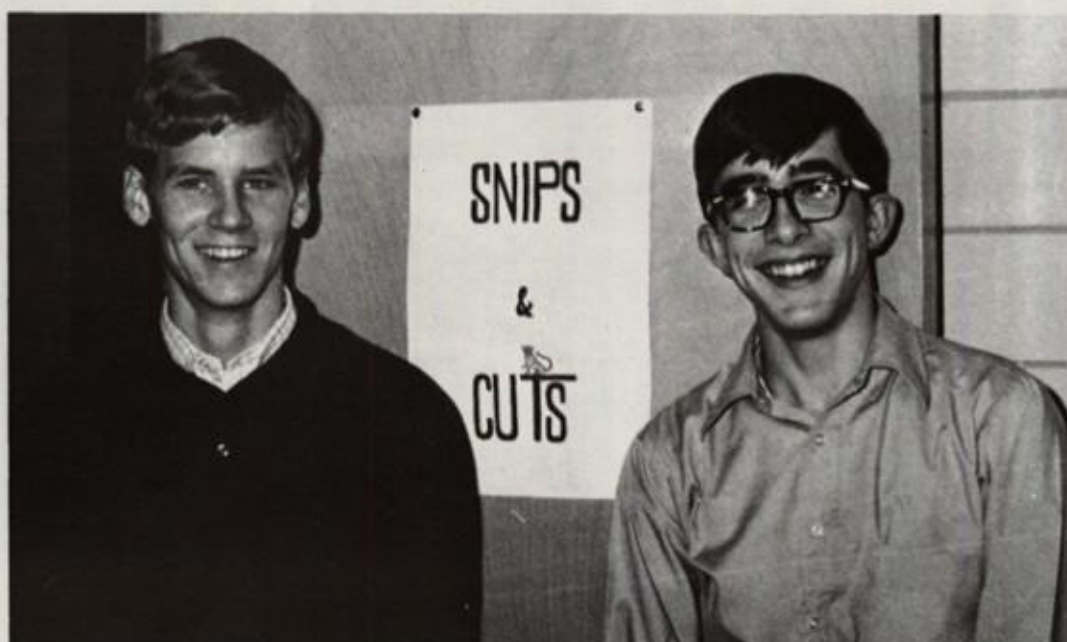

Debbie Kemenczky, Business Manager

The SNIPS AND CUTS STAFF worked hard this year to produce an annual which would contain memories for proud Wildcats to enjoy, both now and in the future.

A summer workshop started members towards their busy year of drawing layouts, selling ads, writing copy, deciding upon a cover and theme, and taking care of many endless details. Our new advisor, Mr. Jesse Reich and Editor Teresa Brown led the annual staff in helping to get the different sections in on time. The many members of the staff worked very hard trying to make the 1970 annual a success.

RAMBLER Published

The RAMBLER staff members worked hard through the month of August to make possible a publication of the paper the first week of school. This accomplishment was indicative of their efforts throughout the school year as they accurately reported the news of significant school functions in the bi-monthly issues.

In the eight page Christmas issue, ads were sold to students who wished to express greetings to friends and teachers. The other main feature of the Rambler was the sponsoring of the Valentine Dance and Queen in February.

"Hoorah for Garinger"

To boost school spirit is the main objective of the Wildcat Club. They sponsor bus trips to all out-of-town football and basketball games.

They also sponsor a clean-up day, which is a combination of work with play.

As one of their money-making projects, the Wildcat Club sells booster badges for basketball and baseball games.

Key Club Furnishes Directories

Melody James, Key Club Sweetheart

School and community service is the Key Club's objective. Through the sponsorship of the Charlotte-Eastern Kiwanis Club, Garinger's Key Club carried out many activities.

During football season, the club furnished cheerleaders with flowers for each game. In late fall, they sold ads to finance the student directory. Each spring, student entertainment is provided by the "Key Klub Kapers." Their services are helpful to all.

Hi-Y Helps Underprivileged

Garinger Hi-Y was given a hut this year by Johnson "Y" to use for meetings. The members worked to put it in order, and to celebrate, they christened it with a party. Afterwards, the boys had a sleep in.

In the spirit of Christmas and in the tradition of Hi-Y, the Garinger Chapter came to the aid of an underprivileged family by cleaning up the house and yard and giving the family gifts.

A new tradition added to Hi-Y is a basketball team. Games are played every week against other "Y" affiliated teams.

During basketball season, Hi-Y took charge of spirit promotion and half time show at one game.

Also spirit wise, Hi-Y helped make clean-up day a success.

Interact Participates in School Projects

Sponsored by the North Charlotte Rotary Club, the Interact Club tackled projects on a school, local, and international level. To earn money to execute school projects, Interact members carried trays for students two days before Christmas holidays.

Serving the community, three Charlotte Interact clubs, including Garinger's, sponsored the "Aquarian Youth-In" January 15 of this year. It featured talent of youth in the community. They also spon-

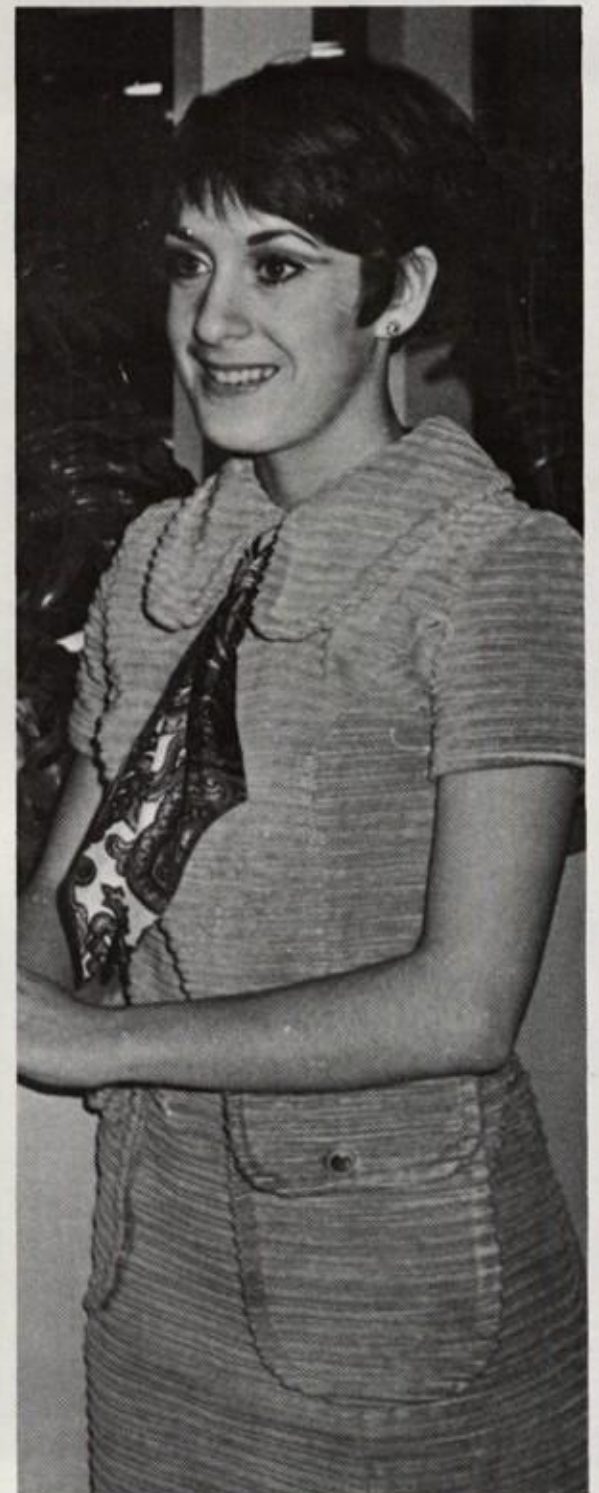

sored a series on WTVI called "Controversy" which gave experts a chance to express opposing opinions on controversial issues.

Participating on the international level, Interact supplied a missionary school on Corn Island in the West Indies with needed educational materials.

In correlation with community activity, the club honors a Garinger girl each year as sweetheart. This year, Ruth Mauney served as the honorary member.

Club members discuss future projects.

Adelphians Adopt Orphans

Miss Steele, Advisor

Adelphians, a club for sophomore girls, is one of Garinger's most active service clubs. Some of their regular projects include raising the flag, selling football programs at our home games, and selling programs at the Summer Theater.

As a part of their community service program, the Adelphians collected for the Heart Fund. They also made favors that were placed on trays for the children that were in the hospital at Halloween.

As a new service project, the Adelphians adopted an orphan from overseas. They hope to make this project a tradition with the club.

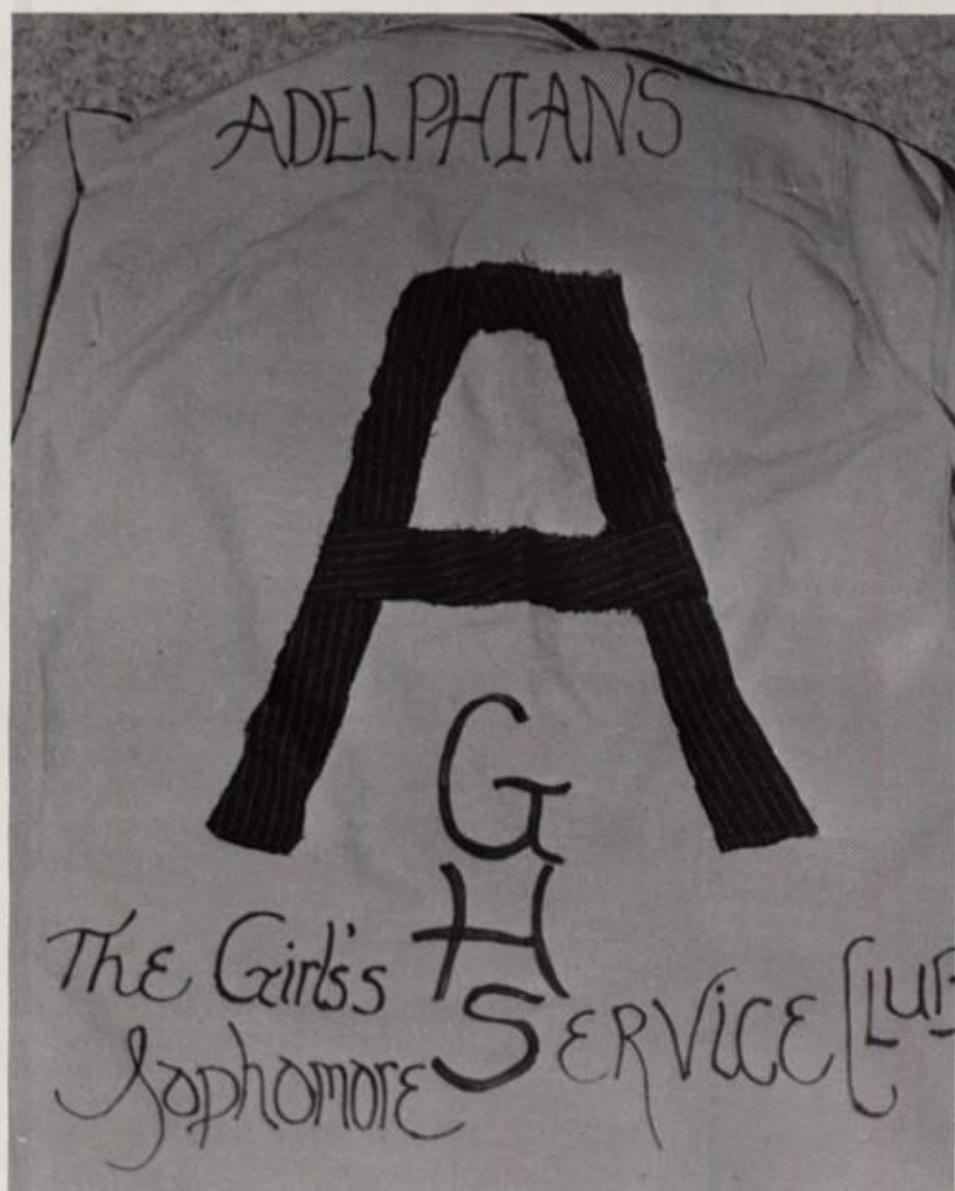

At the end of the year, the Adelphians spend a fun-filled weekend at the beach.

Centrusa Victorious

For the past decade and a half, Garinger students and the community as a whole has benefited from the services of Centrusa. Annually, G.G.S. and Centrusa pair off on the hardwood and the gridiron. For the first time in the football rivalry, Centrusa defeated G.G.S. 26-20. At Thanksgiving, canned goods were collected for the needy.

Later in the year, the girls marched for the Heart Fund. The annual fashion show, a highlight in Garinger's social calendar, features Centrusa members modeling stylish fashions provided by local clothing merchants. Profits are incorporated into a scholarship-loan for two deserving Garinger girls, one a club member, the other a non-club member.

Miss Haney, advisor, discusses club projects with G.G.S. members.

Garinger has profited this year from the activities of the Girls' Good Sports Club. G.G.S. helped boost the spirit at the football games by selling confetti, decorating the stadium, and selling twirlies. During spirit week, links for the spirit chain were sold. The chain, when extended, was the entire length of the football field. These girls also took on the task of making another run-through for the goal posts. It was first seen at the Homecoming game.

Through-out the year, G.G.S. has worked hard for Garinger. The Christmas tree in the cafeteria, carried on just one of the traditions of G.G.S.

Y-Teens Provide Various Services

Garinger's Y-Teens this year provided various services. During Christmas, they sponsored a toy drive for needy children. Other projects included a candy sale to raise money for the purchase of club sweatshirts. Y-Teen members also collected for the Heart Fund as one of their many phases of service.

Unicef Sells Night Shirts

Teresa Brown Secretary; Michele Evans, Treasurer; Camilla Smith and Sylvia Cable, Co-Presidents.

Under the guidance of a new advisor, Miss Joyce Hunter, the '69-'70 UNICEF Club launched several new projects. In addition to their annual activities of "Trick-or-treating" at Halloween, selling Christmas cards, and holding a teachers' auction, the club members went Christmas caroling, collected for the March of Dimes, and sold Garinger nightshirts. The UNICEF members, although busy with their many service projects, are always ready to help others.

Red Cross Aids Men in Viet Nam

Working through the Youth Service of the American National Red Cross, the Red Cross organization at Garinger broadened its scope of activity this year. In addition to providing food from Thanksgiving baskets for Alexander Children's Home, they helped with day care services. To aid the men in Viet Nam, the Red Cross sent Christmas cards and made game books. The enrollment drive for this year was the most successful ever sponsored by the Garinger Red Cross.

Regular activities were supplemented by Red Cross recruits working at Wesley Nursing Center and Mercy Hospital during the summer.

F.T.A. Members Aid Teachers

To assist Garinger's new teachers, members of The Future Teachers of America Club came to the school on the teachers' work days before school started this fall.

F.T.A. members also served as F.T.A. Guides at the Back-to-School P.T.A. On Teachers' Appreciation

Day, they baked cookies for the teachers.

The state convention held in Fayetteville in the fall was attended by fourteen of the members. This year we can be extra proud of this group because all four county offices are held by Garinger F.T.A. members.

F. H. A. Explores Fashion World

This year's Future Homemakers of America Club provided service to the community as well as to students at Garinger. In community service, the girls visited Thompson Orphanage and Wesley Nursing Center. In May they plan a picnic, inviting children from Thompson Orphanage to join them.

Activities at the school included a candy sale and a Christmas fashion show for the faculty.

They also participated in national F.H.A. week, and the state convention in Raleigh.

Debate Club Reorganizes

This year, the Debate Club reorganized into a Debate-Speech Club. This placed a greater emphasis on speech tournaments and contests where actual debate does not occur. With Steven Smith leading the club as President, more attention was directed towards Garinger itself. Along this line the club sponsored an essay contest dealing with controversial topics, which was open to all Garinger students.

As always, the organized debate tournaments have not been ignored. The club's performance, under a handicap of small size, has been excellent.

The Debate-Speech Club is small in size, but great in quality, and urges every interested student to seek membership in the organization.

Chess Club Enters Tournaments

Under the direction of Mrs. Sterrett, the Chess Club this year used new techniques and developed greater skill. At the beginning of the year, competitive tournaments were held within the club to determine the more skilled players. Members were divided into categories first chair, second chair, etc. in order of ability.

Upon completion of these tournaments with other Charlotte high schools, experienced members give pointers of strategy at each meeting to players who have never engaged in tournament play. This year, players showed more promise for the tournaments.

Library Assistants

Library Assistants render valuable services to the librarians daily. They check out, shelve, and reserve books in addition to checking overdue slips and performing general tasks. By volunteering their services, these students help relieve the strain of inadequate library facilities at Garinger.

A. V. Aids Helpful

At the beginning of each school year, students volunteer to be Audio Visual Aids. After being trained by the librarians, these students are able to operate the audio visual

equipment for teachers. Experience gained by serving as an audio visual aid is valuable to these students as well as the teachers they help.

Robert Wilson, Tommy Williams, Bill Powell, Jim Smith.

Assistants Develop Abilities

Girl gym assistants have numerous responsibilities. They assist with the class activities by participating as well as officiating. These girls help administer skill tests and demonstrations. In addition to these duties, they help officiate intramural games at junior high schools. Girls who serve as assistants develop greater athletic skill as well as leadership ability.

Office Aides Run Errands

Office assistants aid the administration daily by running necessary errands. They deliver inter-office mail and get students out of class for phone calls and counseling

appointments. In the fall, they string football beat cards. By lending these services, these students make the administrators' work load a little easier.

FIRST ROW: Ken Sawyer, Jess Tennent, Jerry Dahl, Mike Alexander, Jackie Helms, Randall West, Mike Scruggs. **SECOND ROW:** Rose Alexander, Sandy Morgan, Corey Moore, Janet Simpson, Fran Bowen, Becky Proffet, Debbie White, Mary Brice, Patricia Baily, Diane Patterson. **THIRD ROW:** Louis Outen, Ruth Pettis, Phil Gibson, Dee Dee Moser, Linda Stover, Barry Ainsworth, Joe Graham, Shirley Stitt.

German Club Washes Airplanes

This year Garinger's German Club initiated many new activities. To raise money for the purchase of club pins, doughnuts were sold for a week during November.

Christmas activities for the club included a party at the home of the new advisor, Mrs. Gloria Jones, and Christmas caroling in German.

Second semester activities were concentrated on raising money for the club treasury. To aid the cause, German Club members washed airplanes at Douglas Airport in February.

French Club Enlarges

The French Club, composed of students who are taking or have taken French, is advised by Mrs. Sims and Mrs. Meams. This year, for the first time, they met with the Alliance Francaise, an organization in Charlotte for persons interested

in speaking French.

The goal for each French Club member is to find confidence in conversational French and to become familiar with French customs, history, art, and culture.

“Sweep-up” Sponsored by VICA

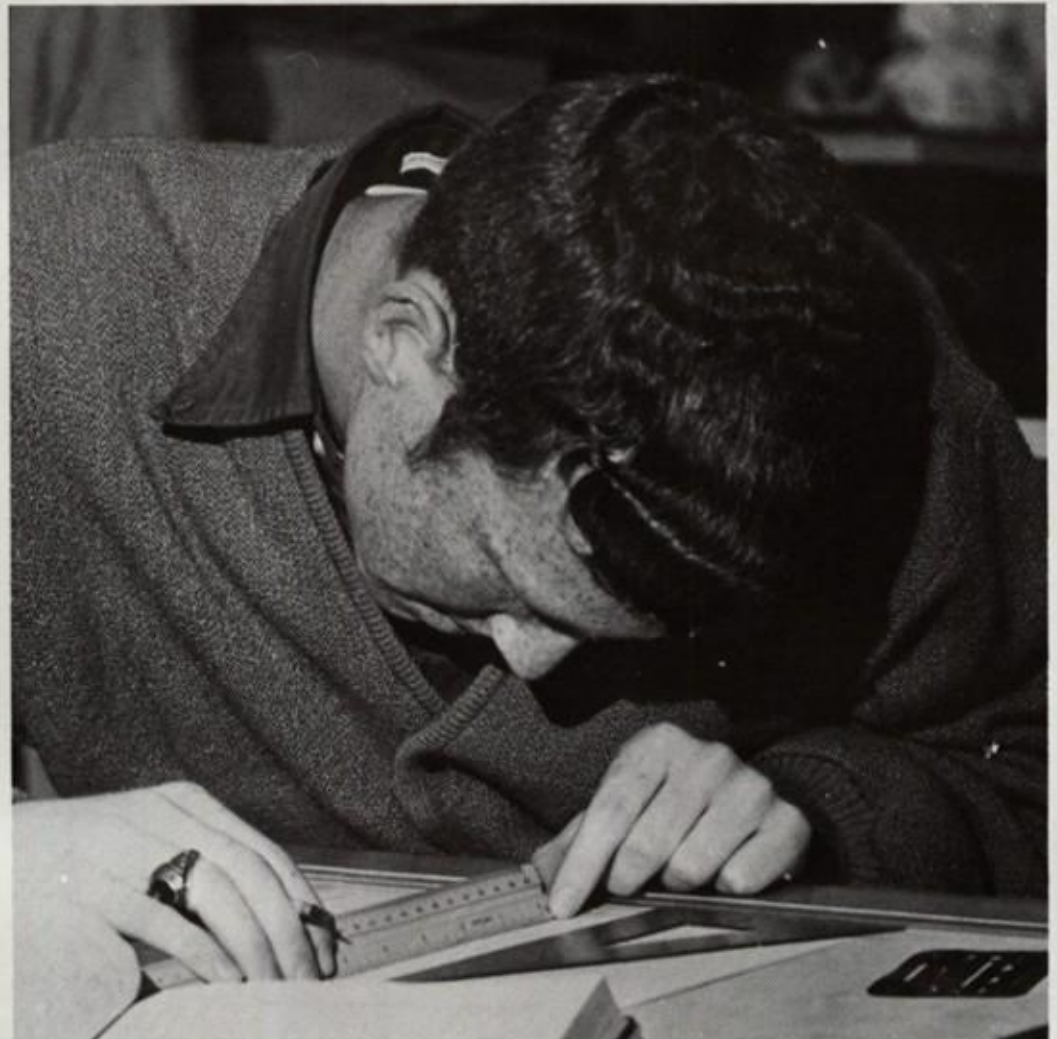

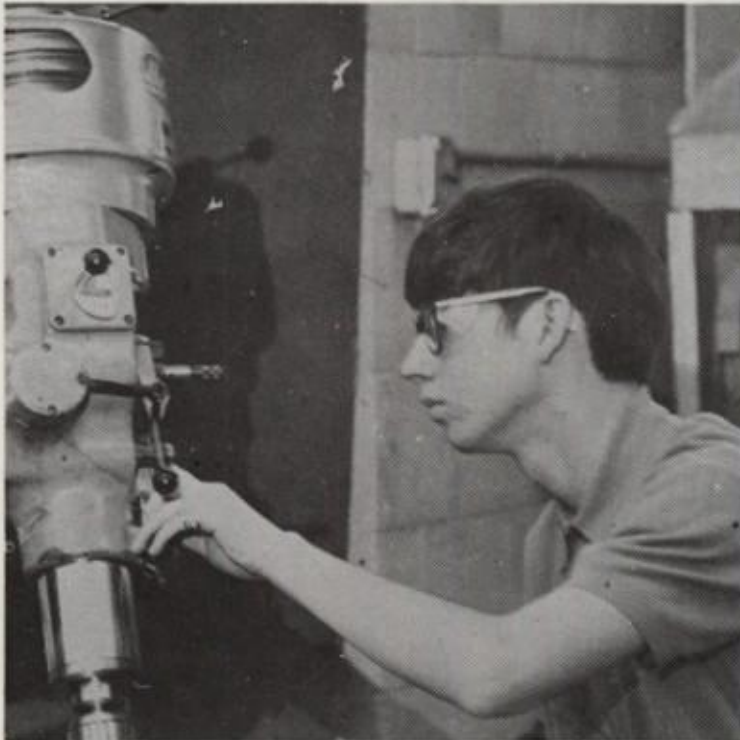

Students in the vocational program at Garinger are eligible to join the Vocational Industrial Club of America. It is composed of students from the six different areas of vocational training — Machine Shop, ICT, Electronics, Cabinetmaking, Radio Broadcasting, and Graphics.

Projects this year included a “Sweep-up” sponsored by VICA in addition to participation in the Student Council Clean-up Day. Every year a Club Day is sponsored where each club displays items of in-

terest.

In addition to large group projects, each division sponsors its own activities. Machine Shop sold candy and painted parking lines in the auditorium parking lot. Graphics' classes provided Garinger and other schools with printed material.

By more activities and greater member participation, this year's VICA was more successful than the previous clubs.

Broadcasters Produce Weekly Programs

Garinger extends to students many opportunities to learn broadcasting due to the extensive training offered in this field. Under the guidance of Mr. Gilbert Ballance, the students visit local broadcasting stations, attend lectures of local broadcasting executives, expose their work to the criticism of professional announcers, and gain much experience in their three half hour radio broadcasts each week.

A student may begin broadcasting by taking Introduction to Radio Broadcasting for one hour a day for one semester of his sophomore year. If he wishes to continue, he may then register for Radio Broadcasting I for two hours a day in his junior year, and Radio Broadcasting II in his senior year.

C. O. O. Is on the Move

By 1975, the United States will have four and one half million students in C.O.O. Cooperative Office Occupations is a business course that combines mornings in the classroom and afternoons in a business office. It is for students who are interested in office careers and want some first-hand experience before graduation. The C.O.O. Club meets monthly with a luncheon at a restaurant and features a professional speaker. This year they climaxed their many projects by teaming up with all the Charlotte C.O.O. to treat their employers to a formal appreciation dinner held at the Downtowner Ballroom on April 21. Twelve outstanding business leaders in Charlotte serve as advisors to C.O.O.

G. B. L. Prepares for Business World

The Garinger Business Leaders Club consists of those students who are enrolled in business courses and maintain a "C" average in them. Competence, aggressiveness, and leadership are traits which are stressed in this club. These traits are of value in the business world and will encourage the girls to strive for high standards in the future.

Interesting speakers are a part of the monthly meetings. Also, valuable experience is gained on the field trips to important business firms and Kings College. Mr. Privette, a Garinger Business teacher, is advisor for the club. He provides a great service for seniors each year by helping them to find a position in the business world after graduation.

Bus Drivers Provide Transportation

As a service to Garinger and the community, several students drive school buses each day. They not only provide transportation to and from school, but they transport students to school-sponsored activities.

Working for a small salary, these students have great responsibilities. Each day they use their good judgement and alertness to safely carry students to their destination.

Garingertown Players Productive

1969-70 has been a busy year for Garinger's playmakers. Along with periodical presentations in our auditorium, the Garingertown Players presented three plays in Carolina Dramatic association competition, two of which won top honors.

In September, "The Hairy Falsetto" was done for the Festival In The Park, and in January, a special combination of short selections was presented for parts of the English department. Also a one act version of "Macbeth" was presented.

Auditions for each play are open to all Garinger students, and those not interested in acting can participate in make-up, stage scenery, and lighting. The plays are truly student productions.

Backstage work is important.

Twirlers in Perfect Step

During football season, Garinger students and fans were entertained by the Marching Band, featuring eight talented twirlers. As a prerequisite, these girls must have been in the band before twirler competition. Long hours of vigorous training helped to mold these young ladies into topflight twirlers. Band director Robert Maddox makes the final selection each year. Grace, poise, twirling ability, and school spirit all enter into the selection of a Garinger twirler.

GARINGER Displayed

Chosen by appearance, citizenship, marching skill, and spirit, the select group of 1969-70 Lettergirls have added to and promoted school spirit this year at Garinger.

The girls worked hard all summer to achieve a perfected marching line-up. They had paper drives and car washes to help buy flowers,

new uniforms, and to take former Lettergirls out to dinner on Homecoming night.

Besides marching with the band at football games and parades, the Lettergirls cheer at games and pep rallies. Among these many activities, they also make time to usher at band and orchestra concerts.

Band Reaches Goal

Two years of hard work selling candy, household cleaner, and Garinger pillows, paid off this year as the Garinger High School Marching Band strutted with pride in their new uniforms.

Long, hard summer practices prepared the members for marching at football games during pre-

game and half time ceremonies. The band went to Carolina for a Band Day, participated in several parades, and placed third in a city wide High School band contest.

At the end of the year, the band has a party to celebrate a year of hard work.

Summer practice demands perfection.

Symphonic Band Goes to Concert

Discipline, cooperation, concentration, and practice are all characteristics of the members of the Symphonic Band. By "auditioning" for chairs, the students learn that they must practice daily in order to meet Mr. Maddox's requirements for a good band.

This band plays music from various periods of history to learn more about different styles and moods of music. By exploring various ways to perform, the members of the Symphonic Band learn to adjust to large groups as well as small.

The Symphonic Band provides Garinger with a series of evening concerts and school assemblies, and during football season, this band participates as a part of the Marching Band.

Concert Band Gains Experience

Concert Band members gain experience through repeated practice and classroom training. The members of this band, who have unlimited ambitions, presented three concerts this year under the direc-

tion of Mr. Robert Maddox. Concert Band members look forward to the chance of being in the Symphonic Band next year.

Mr. Robert Maddox, director.

Orchestra Attains New Look

Performances by the Orchestra this year had a striking new look, which can be accredited to the navy blue uniforms proudly worn by the Orchestra members. Dresses, made by the girls themselves, together with the tuxedos, provided by the Band, served as unifying apparel in several appearances this year. Various assemblies, special programs for school children, and the Orchestra Festival in

Greensboro provided opportunities for the members of the Orchestra to entertain many with their collective talents.

Members of the Orchestra gain knowledge concerning famous composers and their eras, while studying and experiencing the music written by these composers.

G. H. S. Rings with Music

Thanksgiving, Christmas, Easter . . . all of these holidays are accented by the Choir each year. Some of the most inspired assemblies, with the help of the Bible department, were put on by the Choir this year.

Along with the school activities, the Choir does outside productions; they perform in the District

Contests at Ovens Auditorium, sing in the Mars Hill Choral Festival at Mars Hill College, and also the Choir goes to the State Choral Festival at UNC-G.

We at Garinger should be especially proud of our choir; it is one of the finest in North Carolina.

Sandrettes and Garingertown Singers

Each year, a select group of girls is chosen by audition from the choir to serve as the Sandrettes. By devoting time after school to practice, and with the aid of the director, Mr. David Kelsey, they prepare for the many concerts they attend. In addition to the Christmas and Spring Concerts at school, the Sandrettes sang for a group at Myers Park Methodist Church and at the Charlottetown Mall.

This year for the first time, a small group of boys from the choir were chosen to form the Garingertown Singers. It is a madrigal group with about ten members. Through bi-weekly practice after school, they work on performances for special programs.

These groups made a large contribution to Garinger as well as to the Choral Department.

Ensemble Chosen by Musical Ability

Blue dresses with white monogramming are a familiar sight around Garinger this year. These are the identifications of the fifty-five talented girls in the Girls' Ensemble. This year the Girls' Ensemble traveled to Meisenheimer, North Carolina in order to observe the Pfeiffer College choir. At Christmas the girls sang at Tryon Mall. They also gave a concert with the choir and choruses for the P.T.A.

These girls, who were chosen by their musical ability, have made a pleasant addition to our choral department at Garinger.

Choruses Complete Busy Year

Activity was the password for the Garinger Chorus classes as this seemed to be their busiest year. They participated in the Christmas, Winter, and Spring Concerts. The classes were contestants in the District Choral Contest given at Ovens Auditorium in the Spring. They traveled to Mars Hill for the Choral Festival. The choruses also went to the State Choral Festival in Greensboro, North Carolina.

Wildcats Suffer Numerous Defeats

It has been said that the measure one gives will be the measure one receives in return. Our players devoted their time and effort to make the 1969 season a success, but something vital was lacking. Inconsistency haunted the team all year. Opponents racked up a total of 256 points, while the 'Cats managed only 78.

Against East, South, West Charlotte and Hickory, the Wildcats enjoyed some glory. In these games, the 'Cats scored nine touchdowns. Despite these efforts, the Wildcats suffered a heartbreaking season. The managers, Larry Airey, Tommy King and Mike Sloop, did a fine job in their area.

FIRST ROW: Chuck Adams, Sammy Blackmon, David Cunningham, Mike Brown, Chip Cook, Landis Tew, David Cook, Mike Crowell, Octavio Ponce, Mike Morgan, Keith Isaacs, Frank Ponce, Joe Graham, Clifford Byrum, Richard Kalista. **SECOND ROW:** Booster Purser, Scott Milliman, Jesse Blount, Ray Black, Theodore Ware, Dean Mullis, Mike Stutts, David Harmon, Pat Philmon, Charlie Shaw, Charlie Kirby, John Alden, Gary Robinson. **THIRD ROW:** Manager Tommy King, Cecil Phifer, Kevin Mitchell, Phil Estridge, Tim Shirhall, Howard Long, Van Purser, John Johnson, Tim Hackney, Randy Dyer, Mark Bauer, Buddy Wagoner, Bob Creed, Gerald Howe, Mike Torrence, Manager Michael Sloop. **FOURTH ROW:** Coaches Gene Gilleland, Ron Wright, Head R. 'Cats Caught in Rebel-lion

The 1969 Garinger Wildcats took the field against the North Rebels. Victory appeared likely after the 'Cats scored from the one on a Pat Philmon rollout. Frank Ponce kicked the extra point. However, the Rebels rallied and scored to tie the game at 7-7. Both teams remained deadlocked until North scored once in the third quarter and again late in the fourth. North's defense jelled, limiting the Wildcats to one touchdown in the 21-7 loss.

Eagles Henpeck 'Cats

Defeat again! This time our 'Cats were clobbered by the Eagles 30-13. As before the Wildcats reached pay dirt first on a 46 yard fumble interception by David Cook. Frank Ponce's conversion was good. Our defense couldn't contain the Eagles. Later, David Cook scored from the two, but the 'Cats lost their momentum and the game.

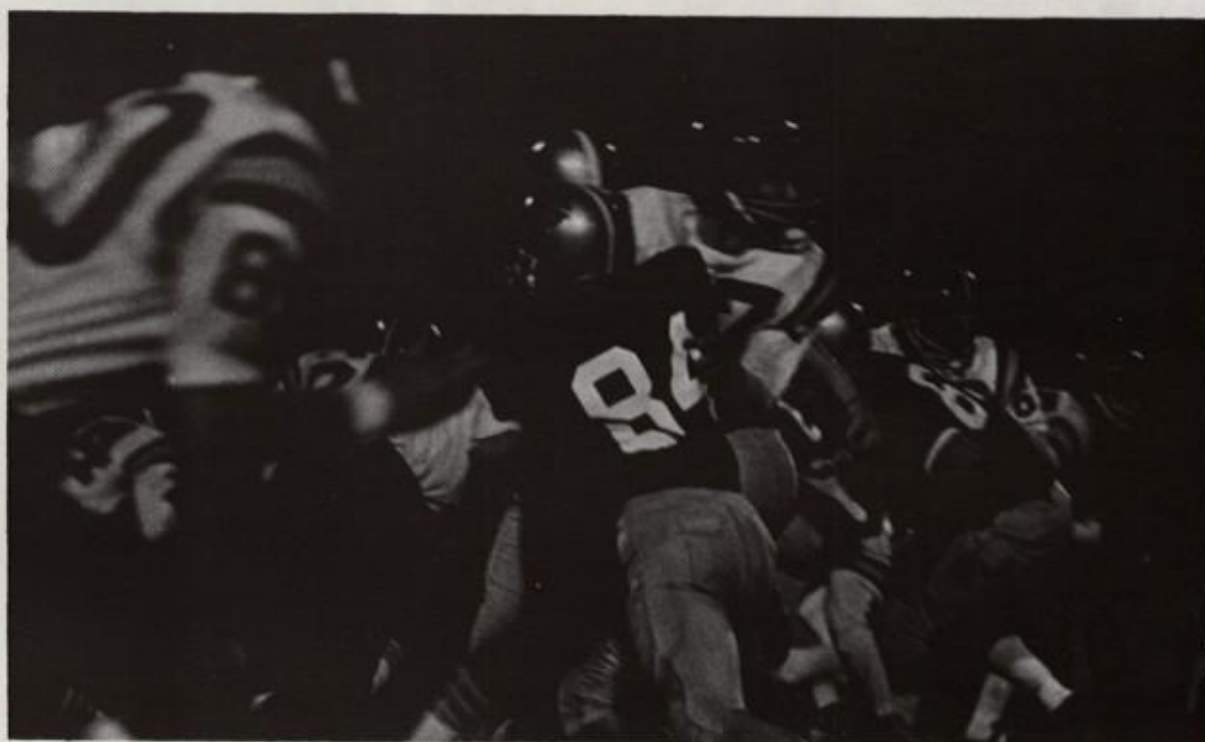

M.P. Stomps Garinger

Our 'Cats, inspired by an enthusiastic crowd, sought their first victory of the season in the annual battle with archnemesis Myers Park. Spirits were high and the play of the 'Cats appeared improved over previous performances. Garinger's highlight came when Joe Graham scored on a 19 yard pass from quarterback Charles Shaw. Unfortunately, the offense fizzled and Myers Park held the Wildcats scoreless for the remainder of the 25-6 loss.

'Cats Slashed

In the fourth game of the season, our Wildcats were the victims of a 27-12 carving by the Sabres. Randy Brady intercepted a pass and galloped 45 yards for the 'Cats first touchdown. Later, Garinger threatened when Charlie Shaw sneaked in from the one. But the 'Cats were no match for the tenacious Sabre defense which seized five passes while their offense scored four times.

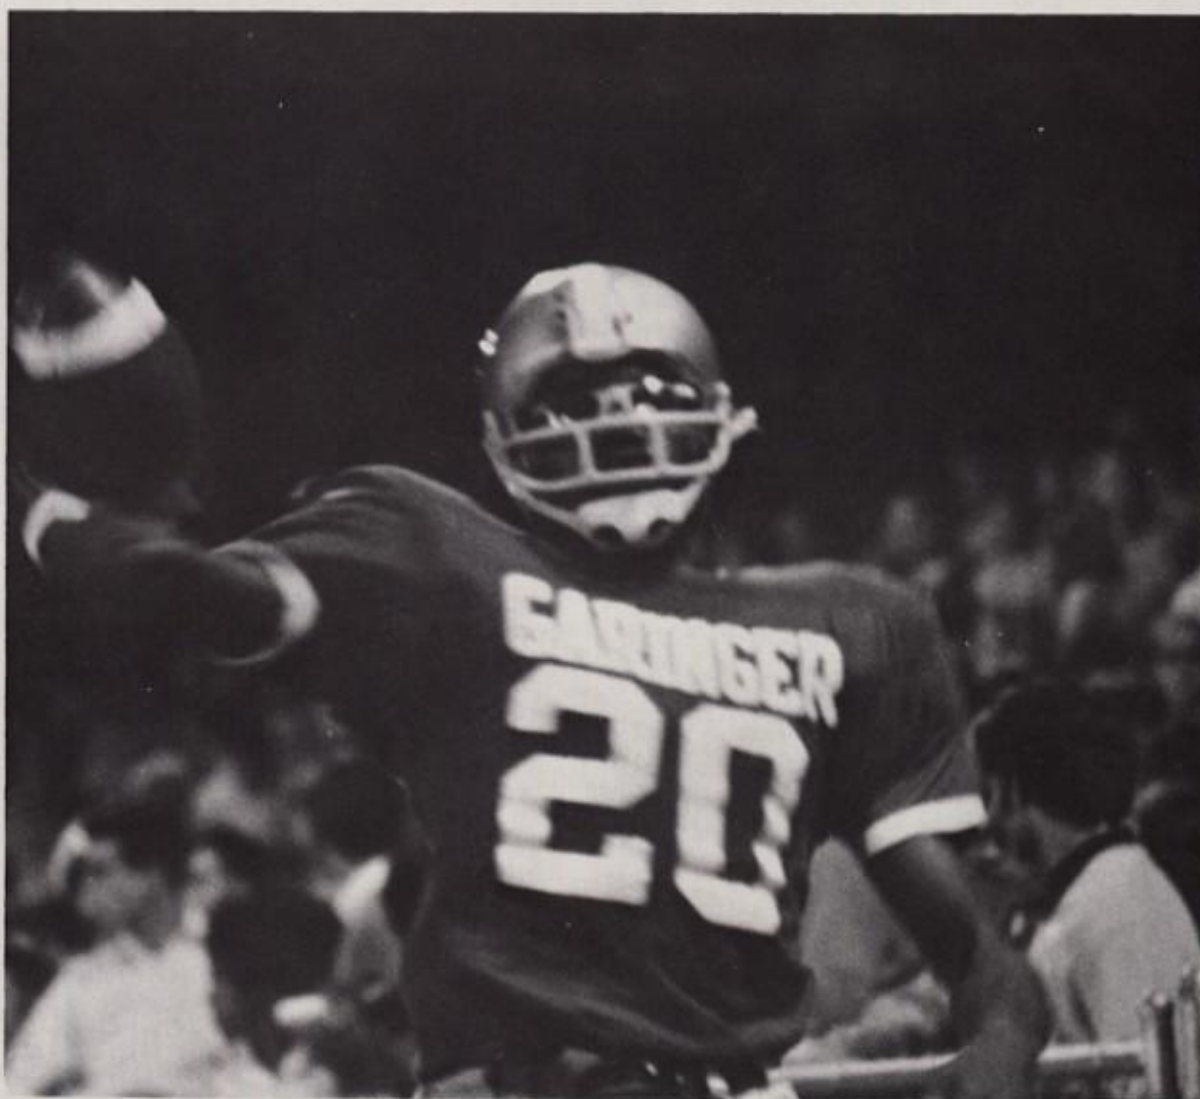

Green Wave Tidals 'Cats

Trying to quench their thirst for victory, Garinger drowned, 19-0, in the vicious Green Wave. Ashley's ground attack rolled up 287 yards and scored three times. Charlie Shaw and fullback Frank Ponce

constituted the Wildcat ground attack, while juniors Phil Estridge, Tim Shirhall, and Charlie Kirby were instrumental in the aerial attack.

Patriots Tax Wildcats

For the second consecutive week, Garinger's opponents held the 'Cats scoreless. The Patriots of Independence, with the help of several costly Wildcats errors and their own tough defense, scored three touchdowns while containing the 'Cats at zero. Pat Philmon and Joe Graham led the Wildcat attack.

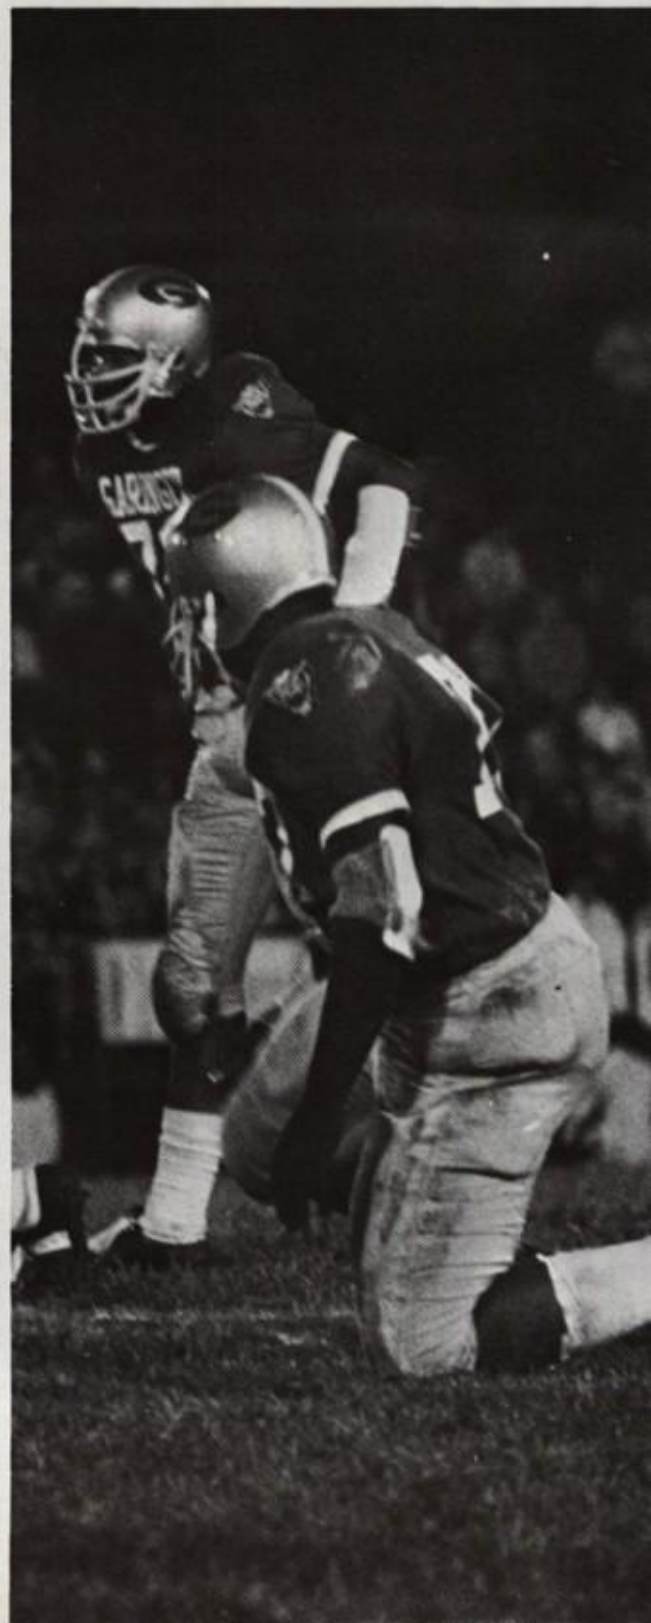

Cougars Bomb Wildcats

Fate's heavy hand halted the 'Cats again. Our team played poorly and the game was marred by glaring errors. Charlie Kirby scored on a five yard pass for Garinger's only score. Final score was 28-6.

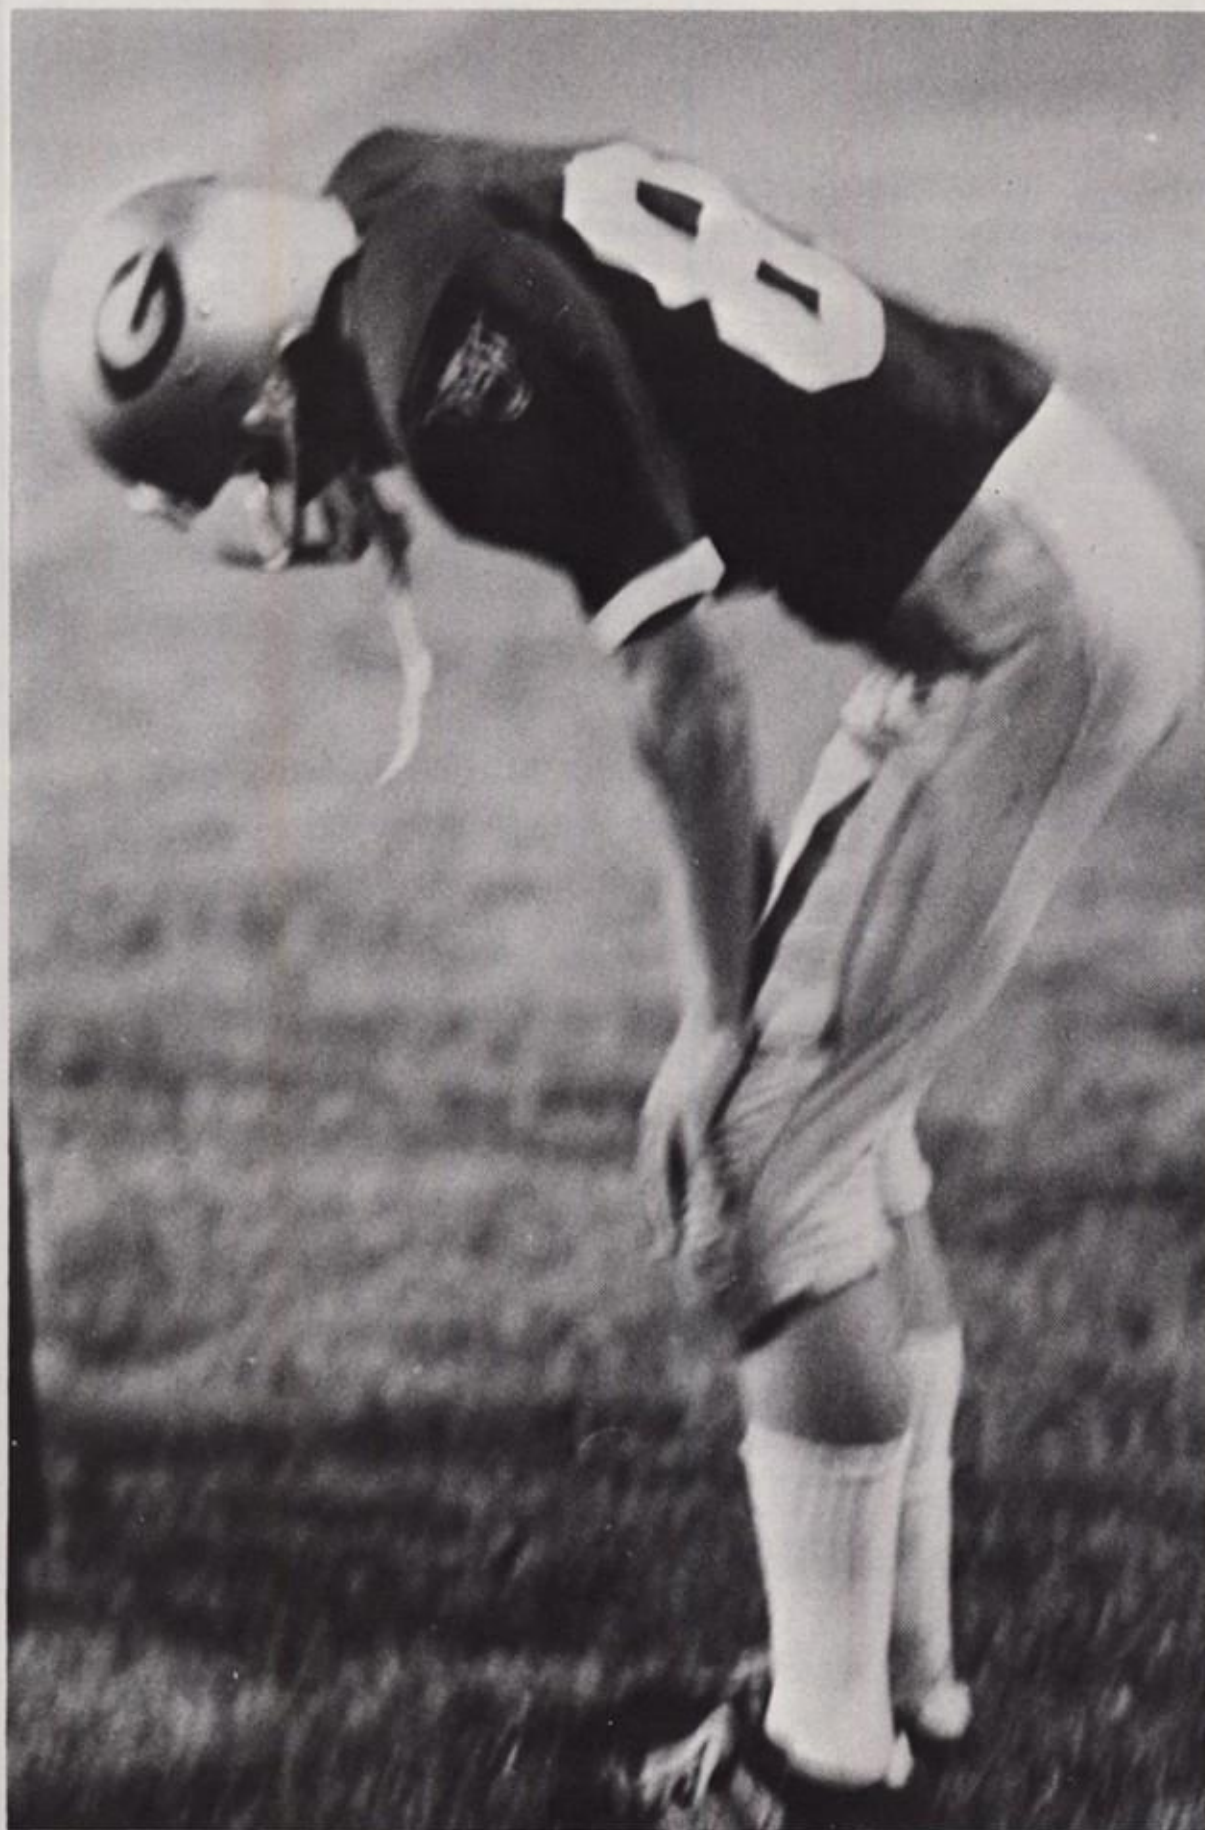

'Cats Devour Lions

Prayers of many Wildcats were answered. After seven consecutive losses, our mighty 'Cats emerged the victors in a game with the West Charlotte Lions. Our offense finally exploded, scoring twice on runs of twelve yards by halfback David Cook. The defense toughened, preventing the Lions from scoring. All players deserve credit.

Red Tornadoes Whitewash 'Cats

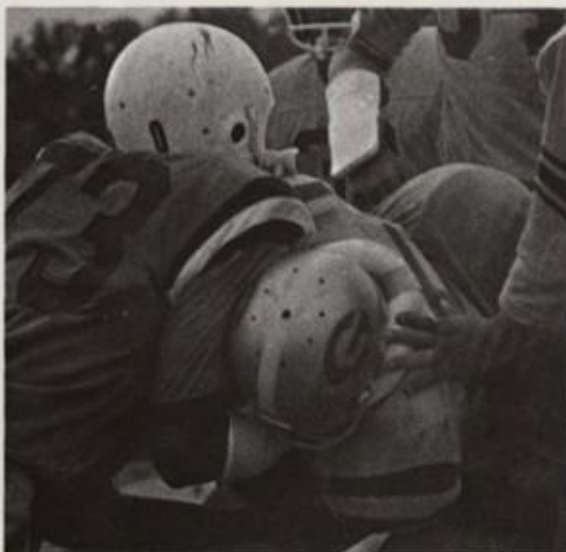

Garinger's Wildcats traveled to Hickory fresh from their first victory. Joe Graham scored on a one yard plunge in the first quarter. Nevertheless, glory was shortlived, for Hickory flashed back with seven touchdowns. Other 'Cats highlights in the 45-20 loss were Joe Graham's 90 yard kickoff return and a 24 yard touchdown pass to Charlie Kirby from Charlie Shaw. Octavio Ponce's extra points were successful but insufficient to alter the outcome.

'Cats Hounded

Garinger's hopes for revenge collapsed into the open arms of the Hunter Huss Huskies. Our Wildcats finished dismally with only three first downs and an offense totaling 100 yards. Huss scored six times, resulting in a 41-0 rout, ending a disastrous season for the Wildcats.

J.V.'s Gain Experience

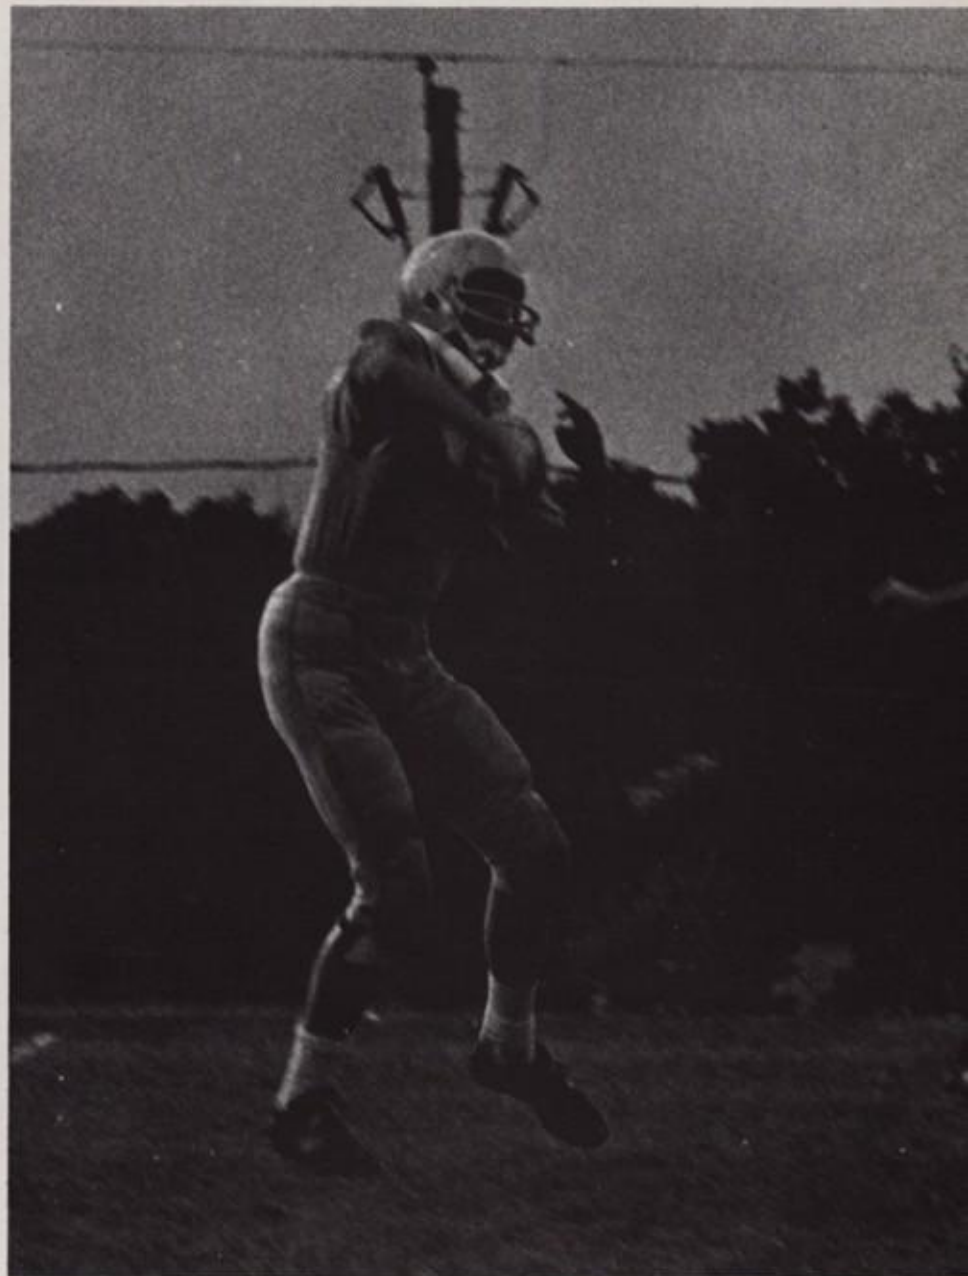

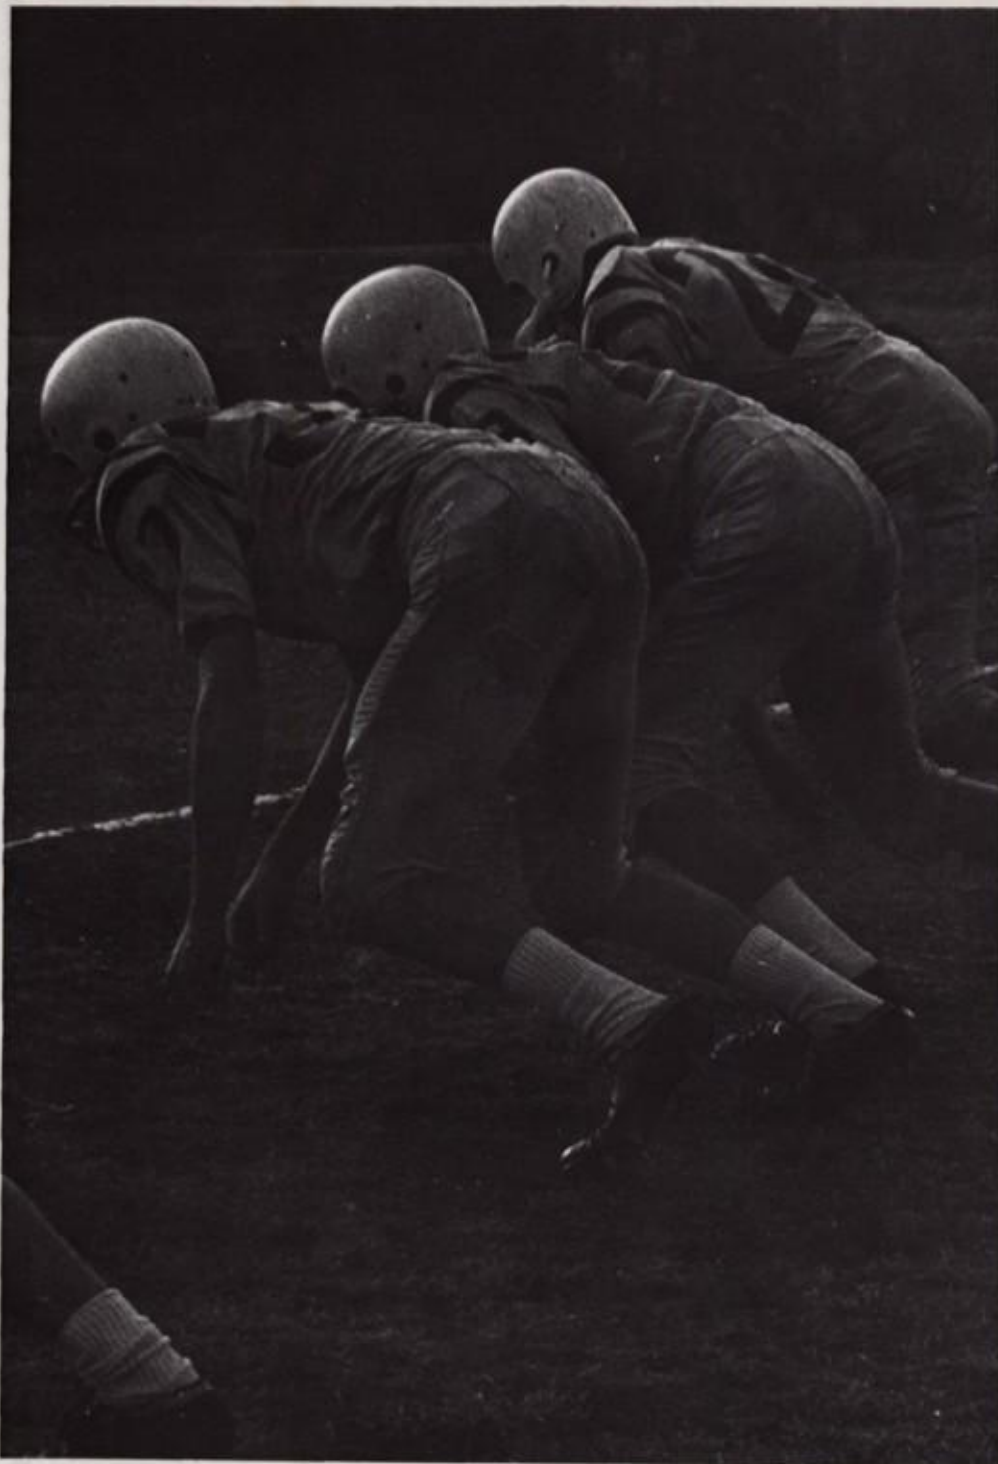

Garinger's Wildkittens of 1969, followed in the same trail of agony as their elders, the Wildcats. It appeared that the J.V.'s would post a winning season, when, in the first game, Hunter Huss was thrashed 14-15. However, the Kittens were shut out in the next three games before they rallied to defeat South, 13-6. Another slump ensued before West Charlotte was corralled, 21-6. Ending the season was the 2-20

defeat at the hands of Hickory. Overall, the Kittens scored 64 points in contrast to 137 enemy points.

Coaches Godwin and Robinson did well with the young players although only three victories were claimed. Lineman Steve Crompton and Tony Dyer, along with backs Kerry Baker, Richard Snider, Eddie Starnes, and Ken Martin were the most promising future Wildcats.

FIRST ROW: Mike Rape, Ben Edwards, Ricky Smith, Terry Nindly, Danny Kinder, Mark White, Jerry Ezelle, John McDonald. **SECOND ROW:** Richard Snider, Tony Stogner, Biff Kirby, Freddie Williams, Jim Elmore, Joe Smith. **THIRD ROW:** Johnny Foster, Eddie Burrnet, Henry D. Harriers Harrass Opponents

"Walk don't run", failed to impress Garinger's cross country team. The first two seasonal meets were easily won by our runners. Defeat greeted Coach Toman-chek's 'Cats in the next meet, but fortunately they rebounded to tie East Mecklenburg. In the city meet, Garinger placed third, only six points behind South. Bill Stiles and Darrell Bowen, Bob Carriker, and Dale Talbert placed high in each meet. Ralph Seamon and Tommy Stiles added depth and improved with each meet. With these promising runners, the 1970 city crown might belong to our Harriers.

Varsity Cheerleaders

Try to imagine what the football games, pep rallies, victories, and, yes, defeats would be like without our vibrant cheerleaders. It is extremely difficult work when one considers that these girls are

school leaders and keep a good grade average. In addition to selling doughnuts and spirit badges, painting signs, and attending camp, the girls collected papers to raise money.

Fight! Win!

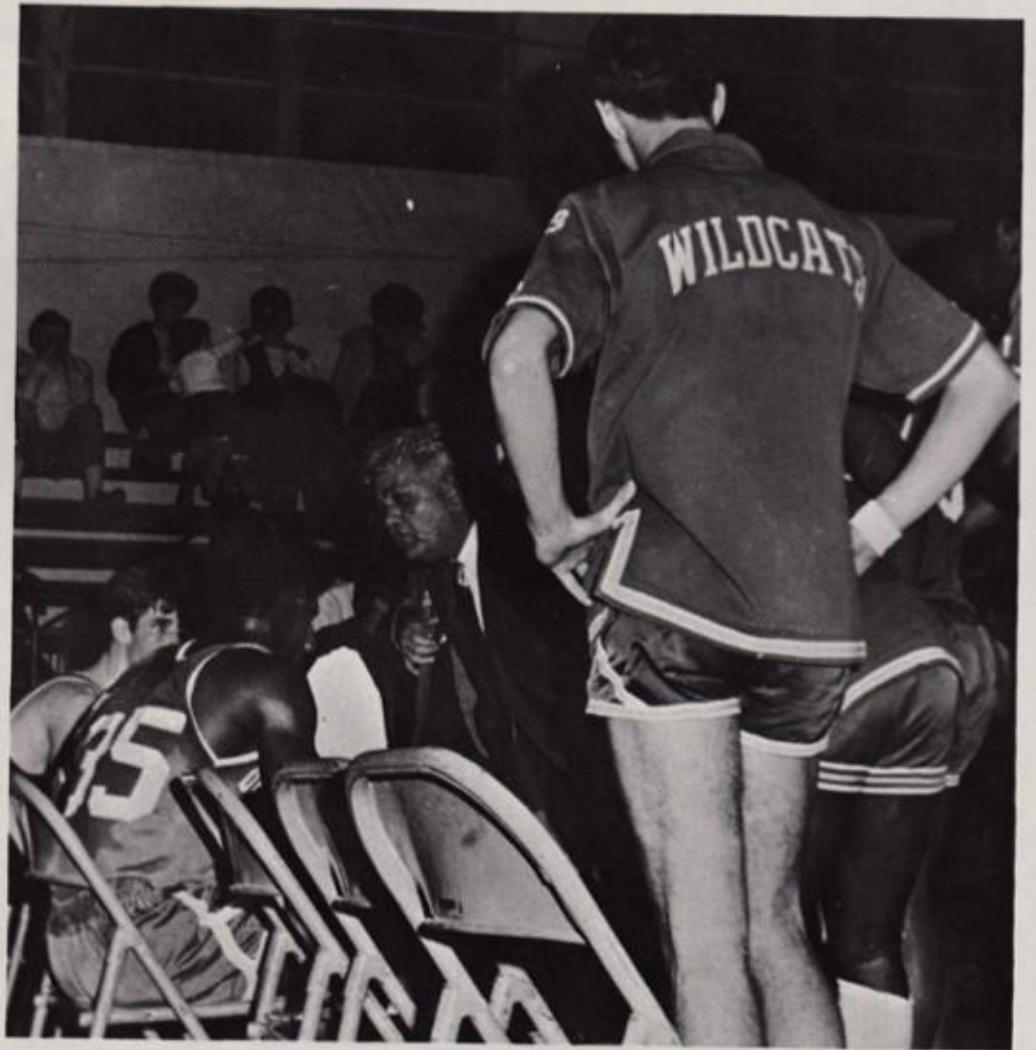

Under the experienced guidance of the varsity cheerleaders, Garinger's 1969-70 junior varsity cheerleaders were chosen from an enormous squad of enthusiastic sophomore girls. "We Don't

For the second consecutive year, the Wildcats of Garinger have had a disappointingly poor season. What is the cause of this lackluster record? One must view a game and decide for himself. Contrary to the scores, the team has talent and great underdeveloped potential. Most impressive have been "deadeyed" Chuck Hughston, monstrous Marion Belton and senior-play-maker Randy Brady. These players were backed up by the usually reliable play of seniors Joe Graham and Gene Brown and juniors Arthur Frazier and Jim Blackman.

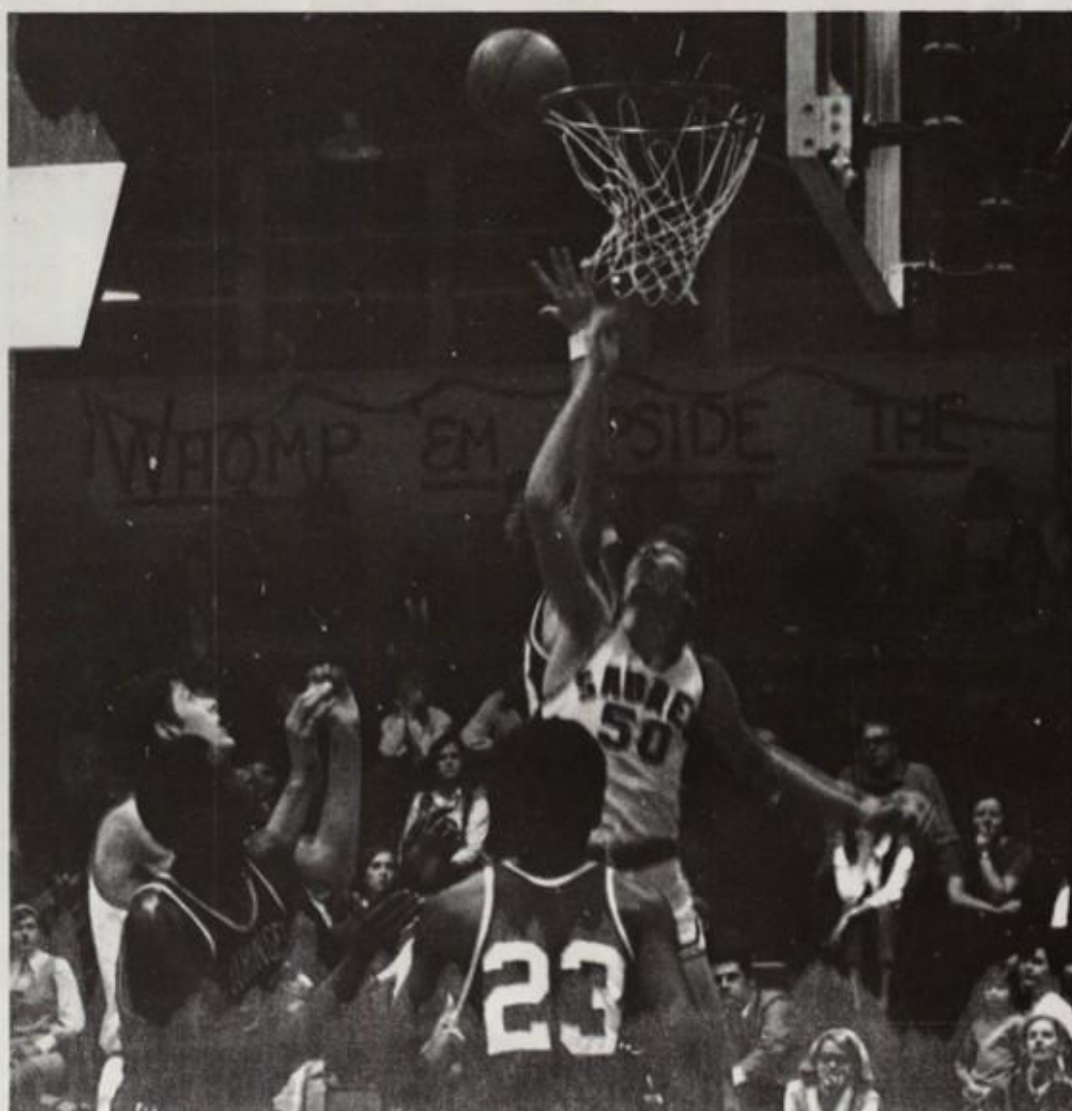

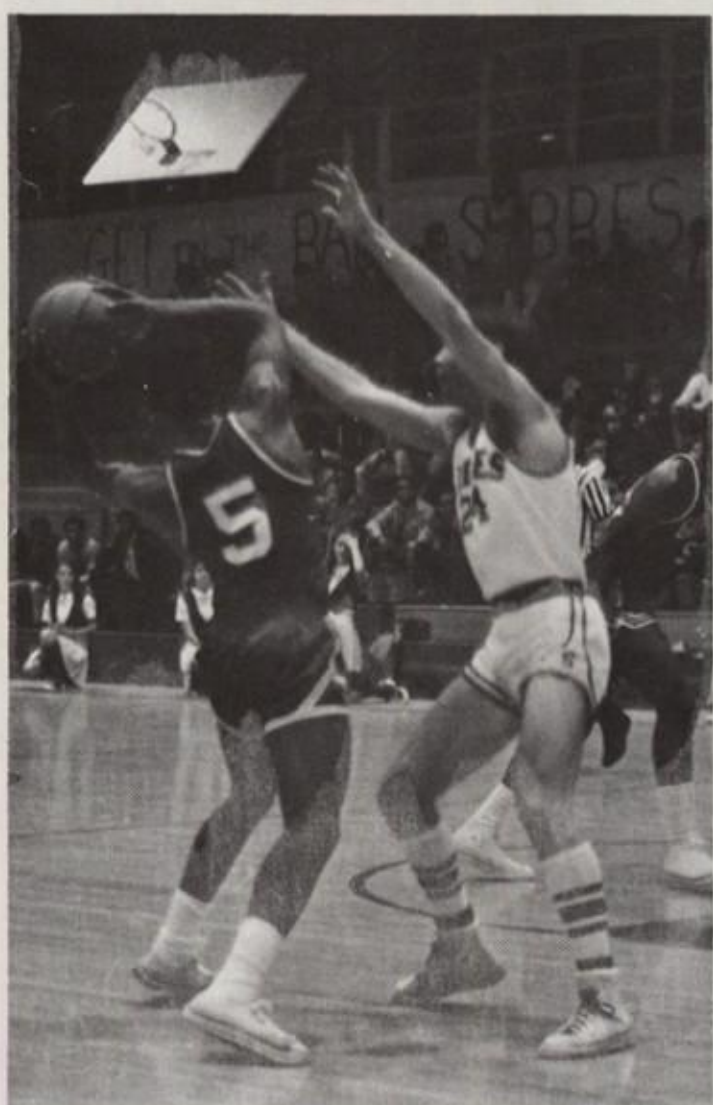

Throw it!!

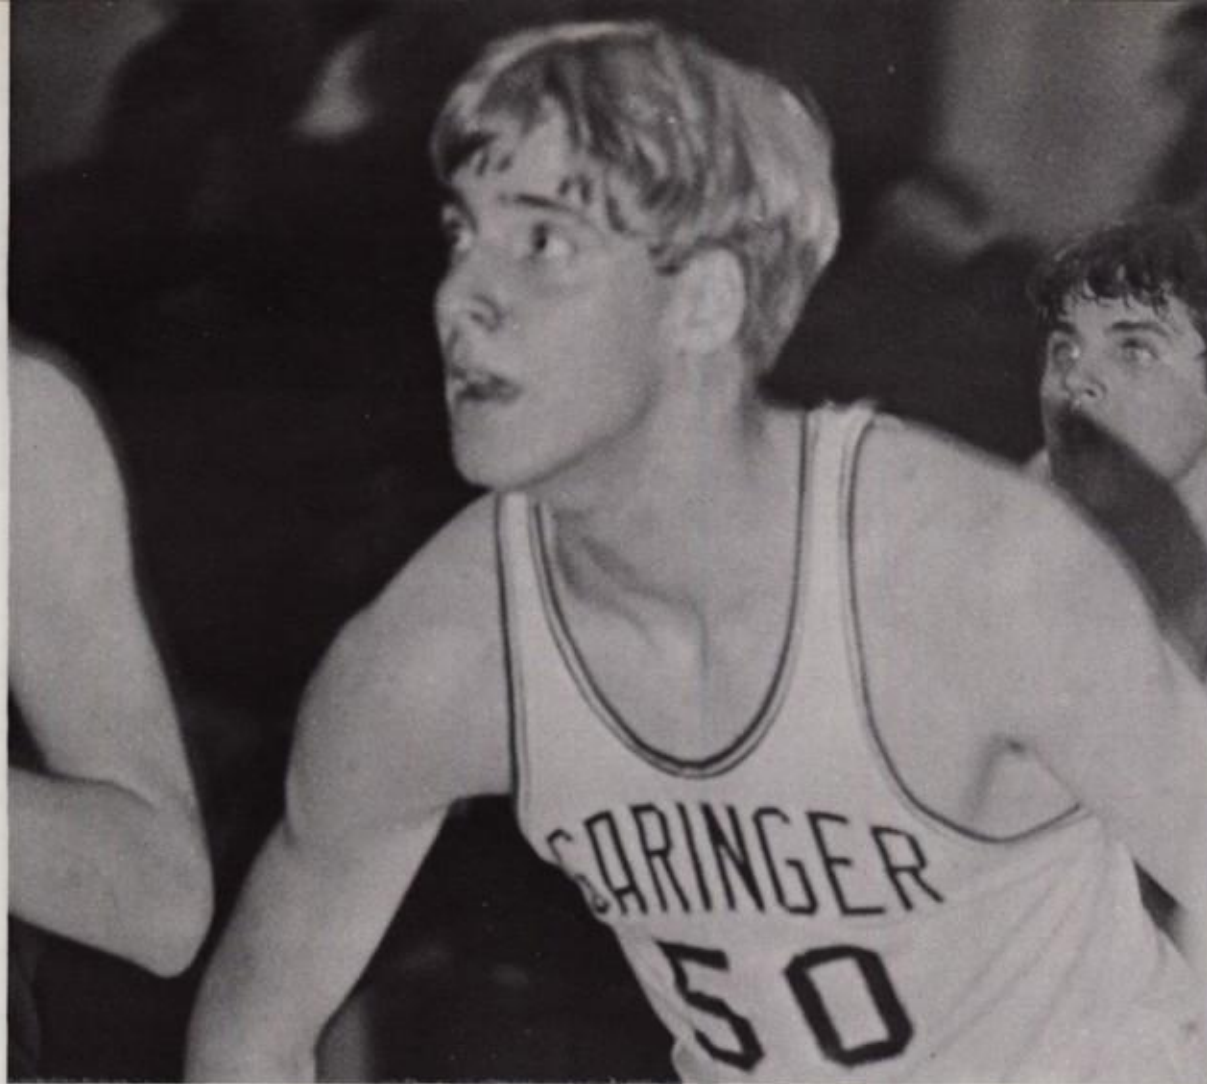

Mess Around''

David Cunningham, Jesse Blount, Ray Grier and Gary Robinson played sparingly but should develop into fine players. Garinger's future rests with these junior boys, J.V. stars, and the 6'4'' Hughston twins, Dave and Don.

Higher, Joe, Higher

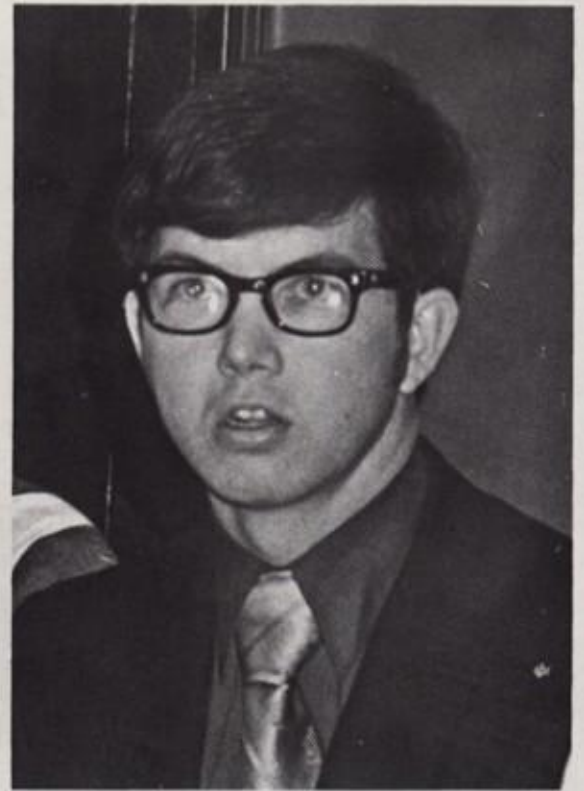

Kittens Prowl for Wins

1969-70 proved to be a successful year for Garinger's J.V. roundballers. In the past, the Wildkittens have had fruitless seasons. These young players improved with each additional game. Terry Howard and William Marshall showed

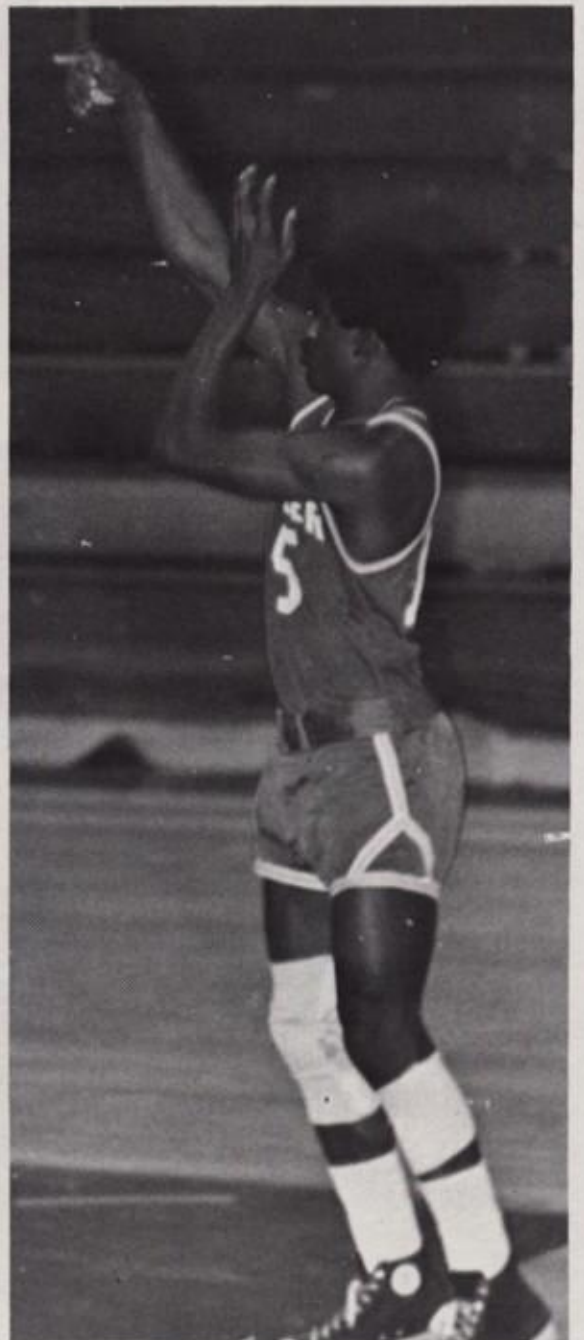

excellent rebounding strength and inside shooting. William Felder displayed controlled dribbling, while Tommy White's percentage shots helped to win many a game. David Dixon and Ben Edwards proved valuable assets also.

Grapplers Come to Grips with Foes

Another championship season was expected of the Garinger matmen, but the team was plagued by numerous injuries. Ricky Cotton, state champion in the 133 pound class, led the team to its victories. However, he was injured and had to sit out the latter part of the season. Willie Harris, Curtis Phifer, Dean Mullis and Jay Ritch were mainstays on Coach Gilleland's well trained team.

Intramurals Arrive at Garingertown

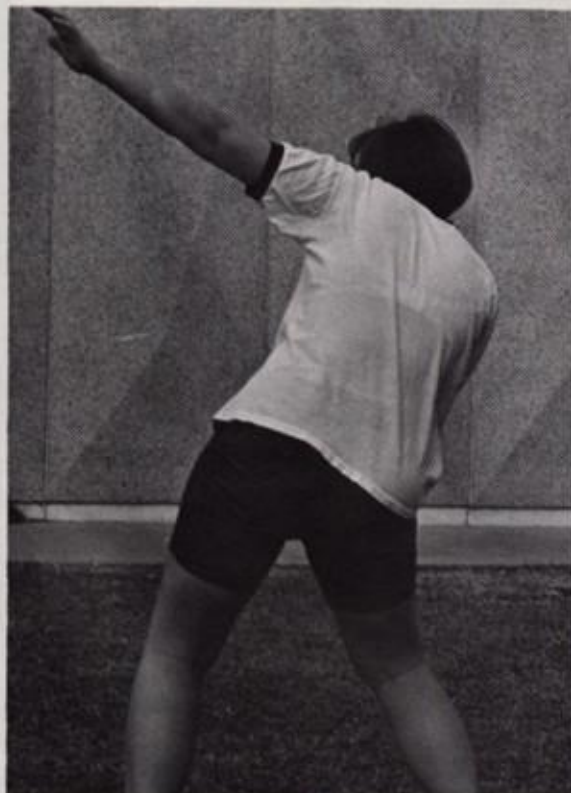

For the first time in a decade, Garinger girls have the opportunity to participate in intermural and extramural sports. This year the girls won the city speedball championship by defeating West Charlotte, Independence, North and East. Bowling was offered as an enticing intermural activity. Hopes are running high for another successful season in extramural volleyball and track. Miss Hunter and Miss McGee are the devoted and hardworking coaches of these teams.

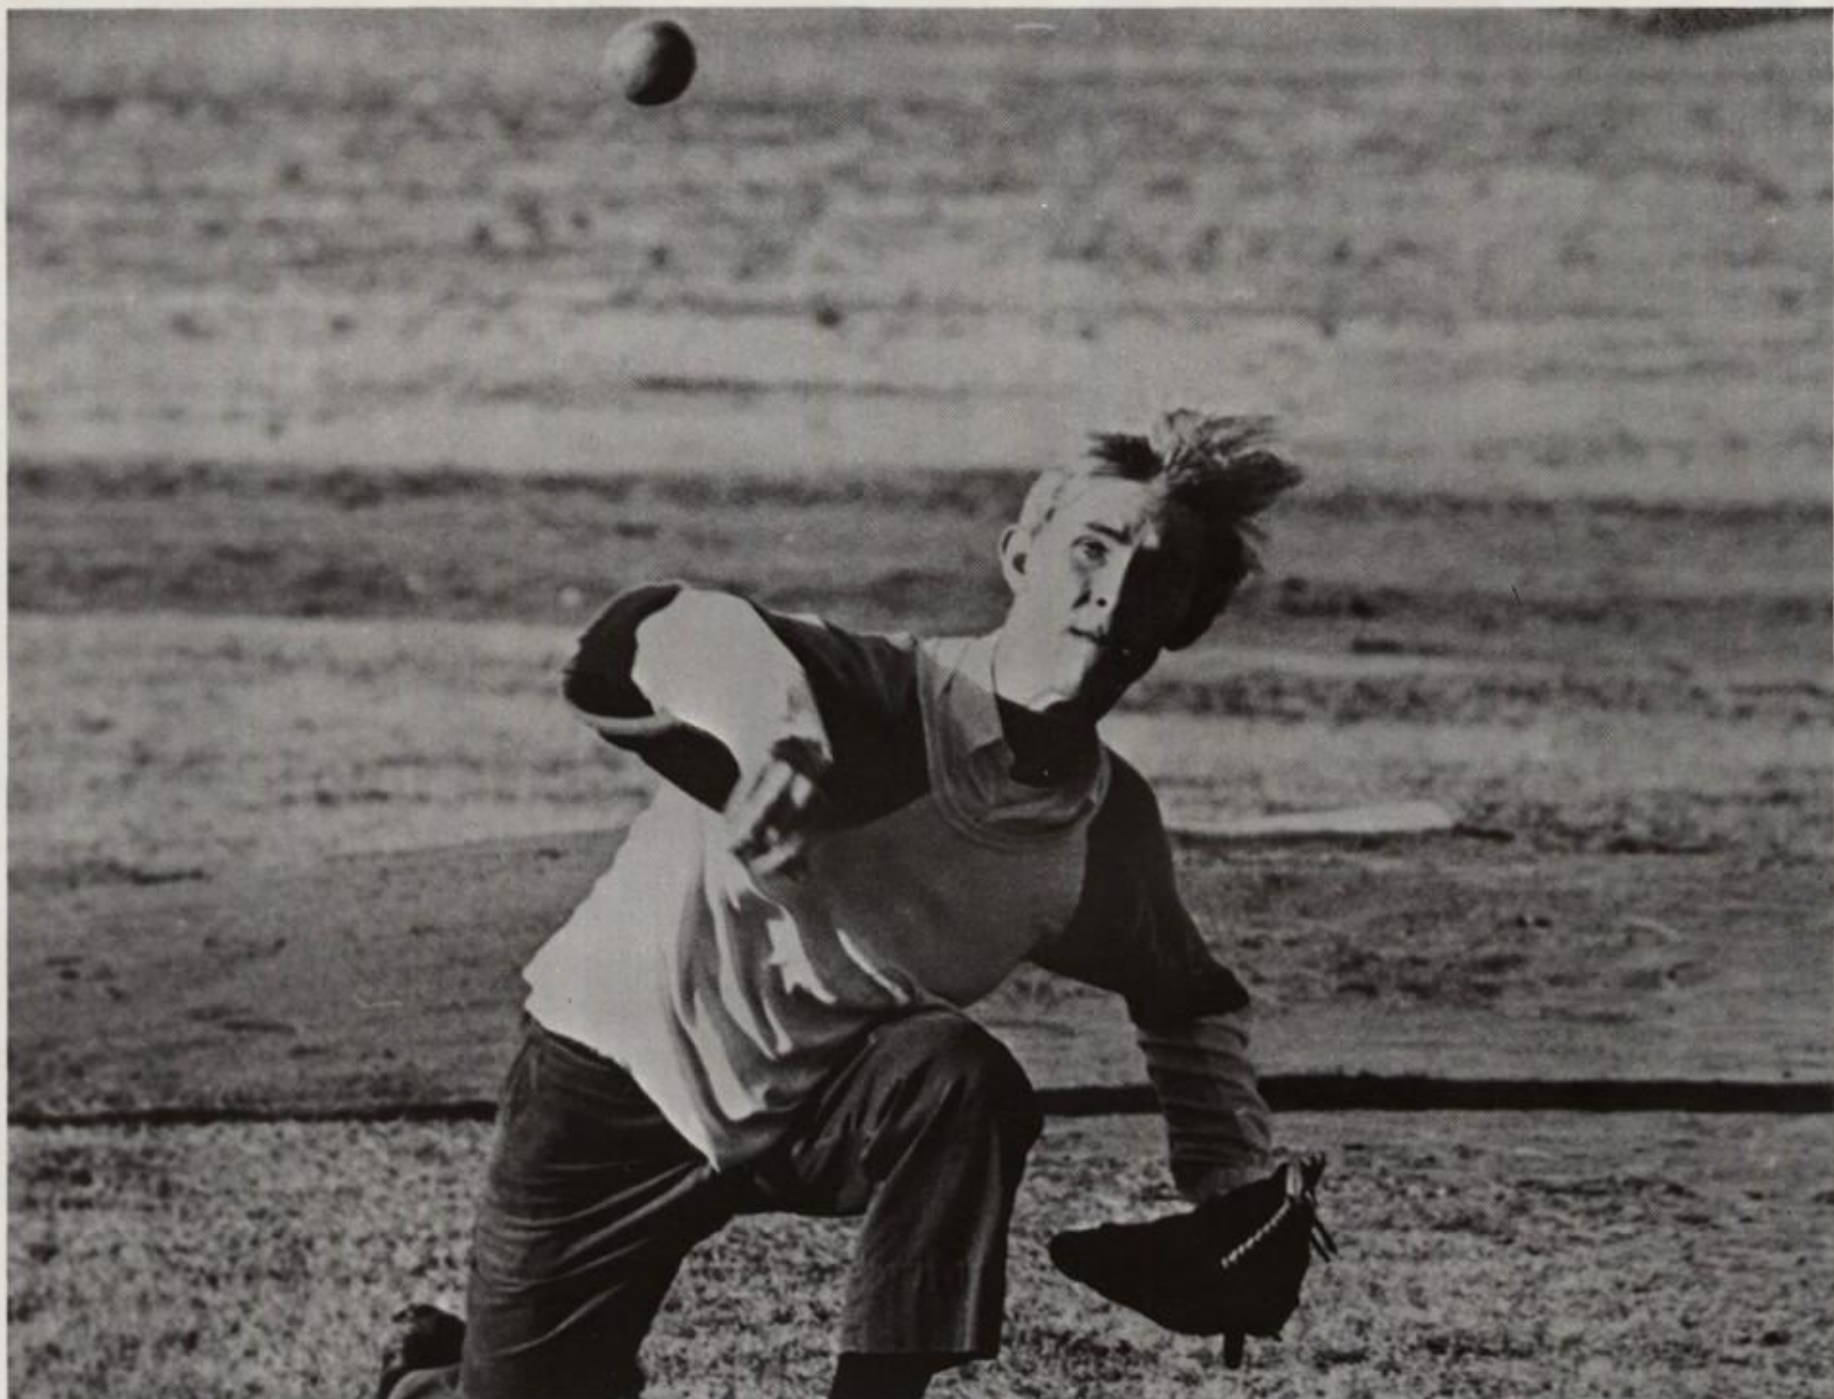

OOOOOOOOHHHHHH!

Winning Streak Resumed by 'Cats

Under Coach Joe Tomanchek, last year's Wildcat baseball team won the conference championship and reached the state semi-finals. With the return of Joe Graham, Pat Philmon, and Bill Warren from that team and with a strong backing from junior players, the 'Cats look forward for another impressive season. Skill combined with practice give the team great potential to become successful again this year. Possibilities run high that this season will find Garinger's baseball squad at the state play-offs.

Duffers Dump Opponents

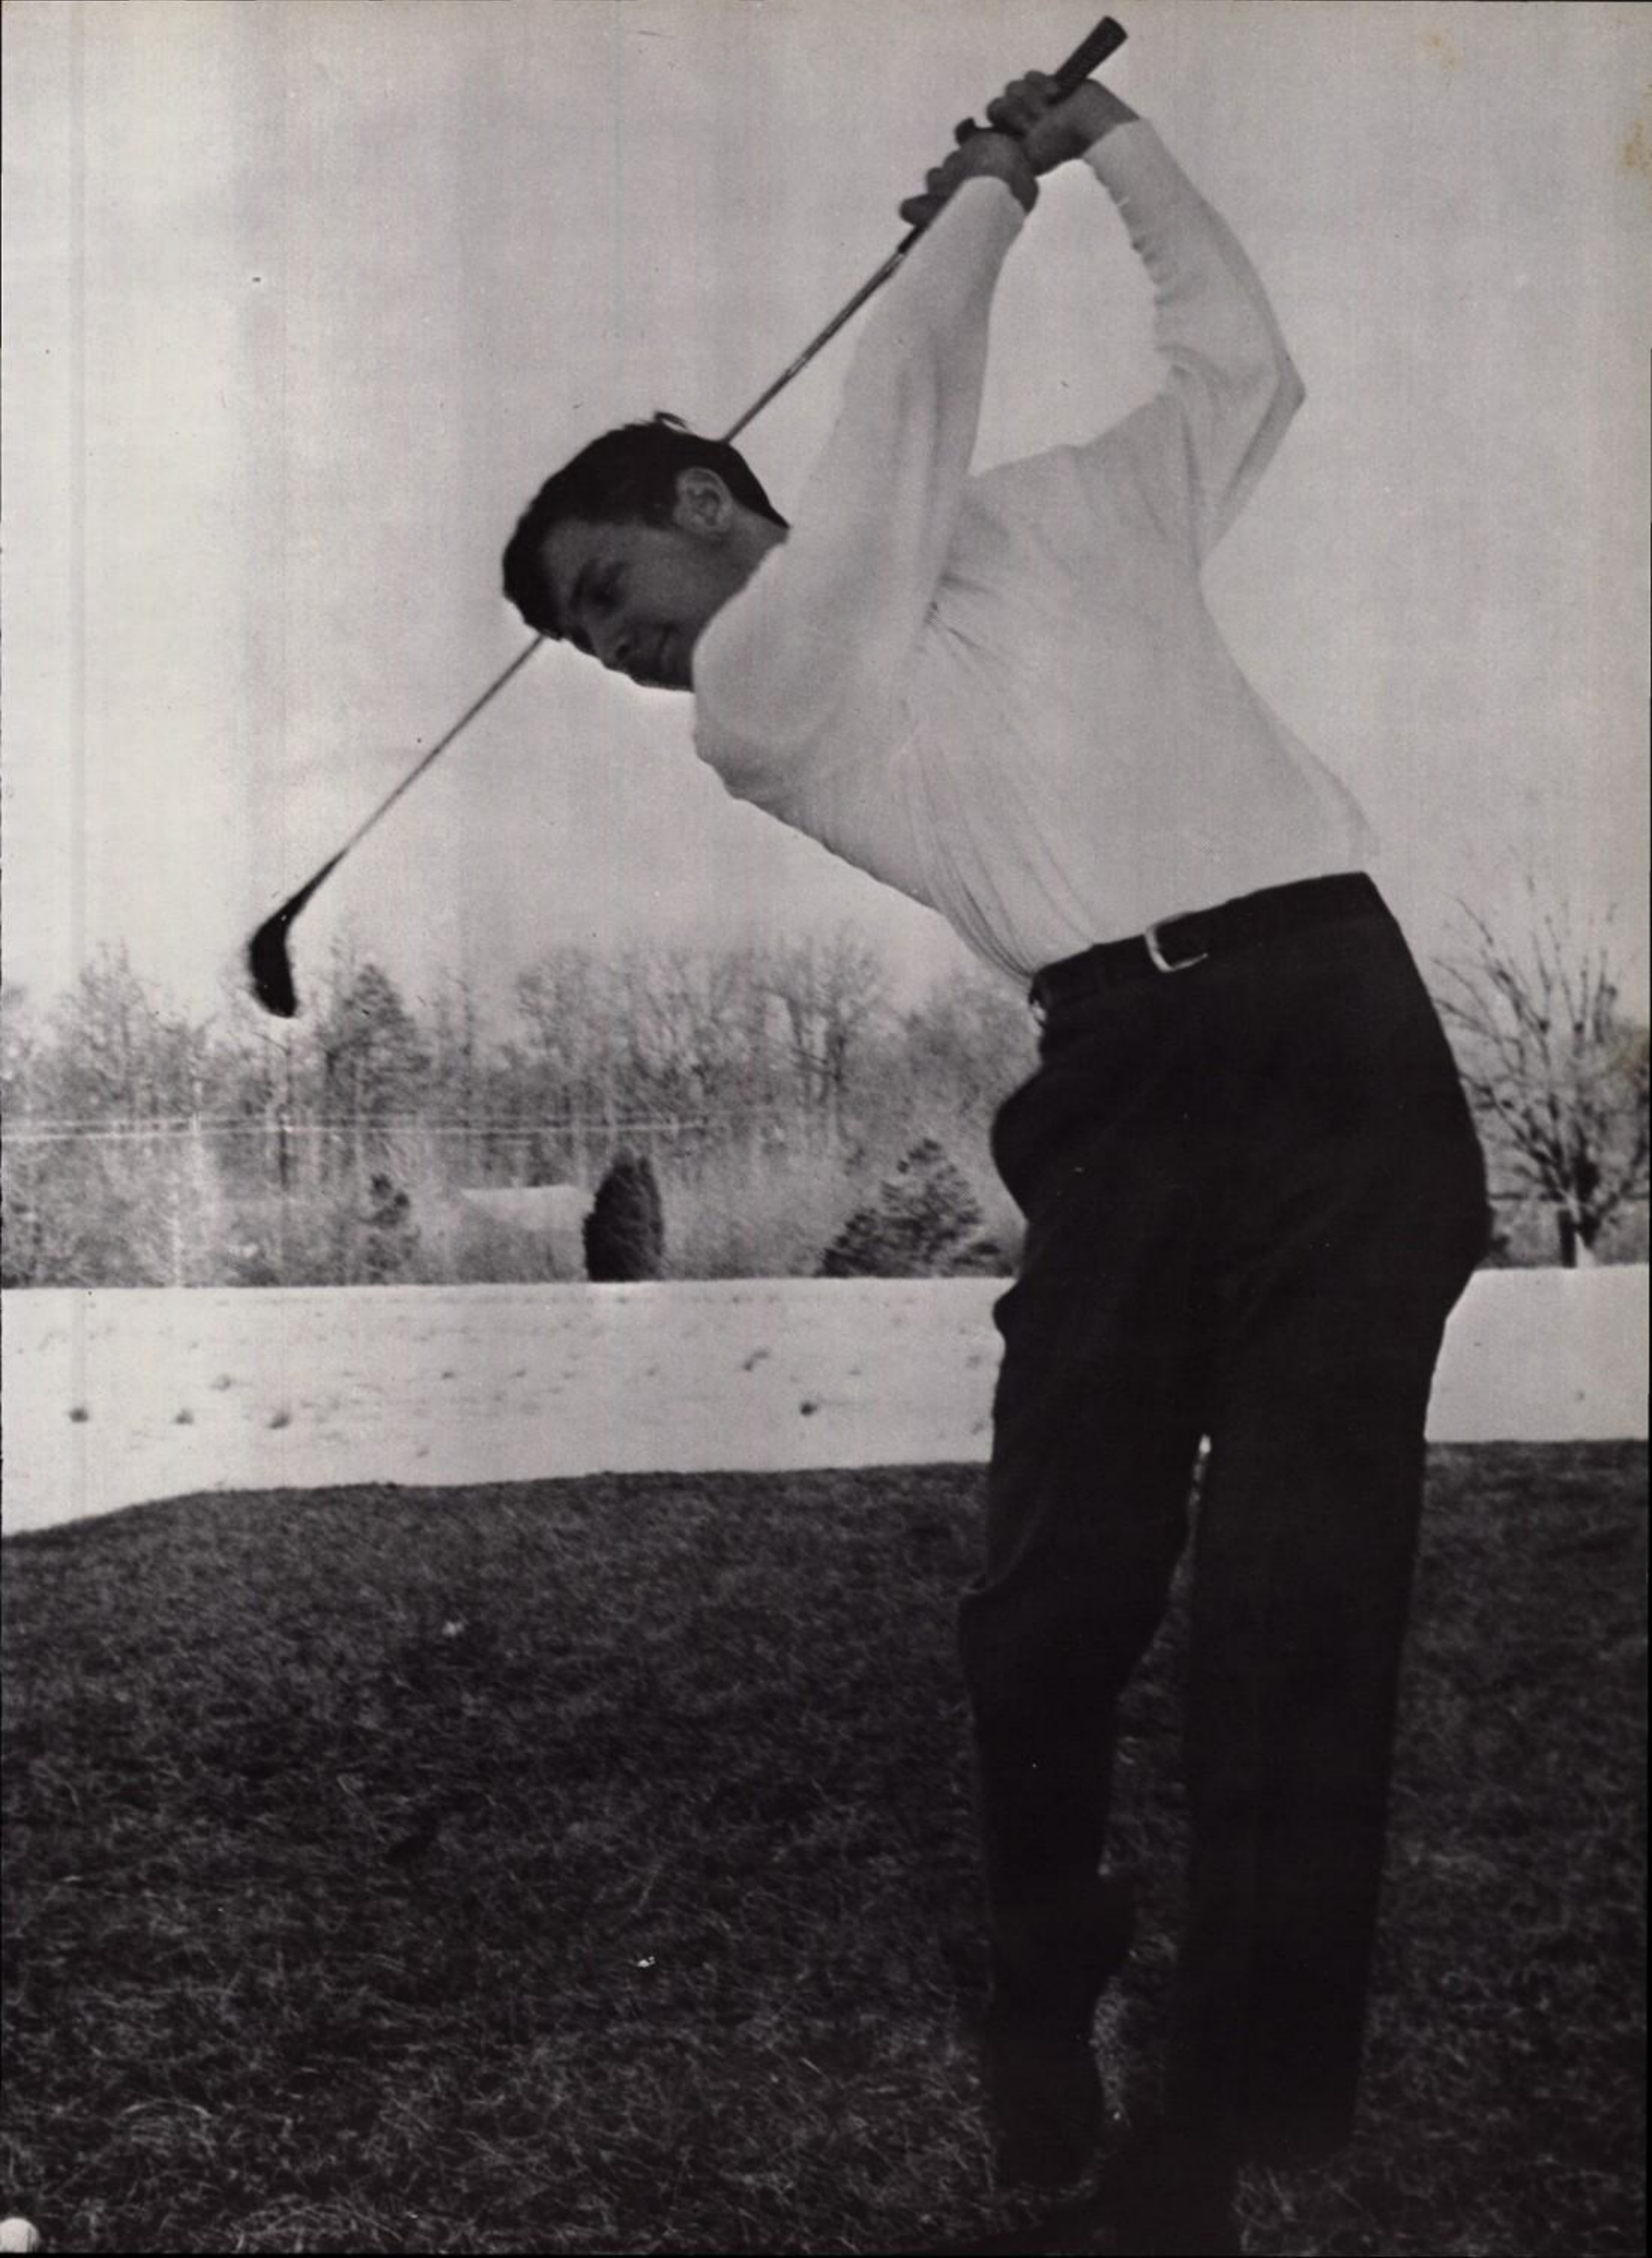

Coach Godwin's "Duffers" have always had successful seasons. This year should be no exception. From last year's squad, which posted a 3-2-2 record, Johnny Fowler has become this year's number one player. Returning from that same team will be seniors Steve Sanford and Tommy Rallings and juniors Butch Gemin and Marshall Ledbetter.

Netters Hope for Wins

Hopes of improving last year's mediocre record of 4-6, are running rampant on the Garinger Tennis team. Mr. Dixon has assumed the coaching duties for the netters this year. Brian Harrison once again is the 'Cats chief weapon. Ray Boardman and Steve Lindsay are two other strong returnees from last year's squad. Daily drills on fundamental shots, running to build stamina, and doubles practice should make the tennis Cats the nemesis to area teams.

Cindermen Singe Track Rivals

Mr. White, new coach

Another large squad of cindermen is expected to continue Garinger's track prowess for the 1970 season. Coach Jim Addison is again at the helm. This year he will be assisted by Mr. White. Chuck Adams, last year's top point getter, is as strong and threatening as ever.

Returning veterans will be Bobby Harding, Octavio Ponce, Scott Milliman, Sammy Blackman, Frank

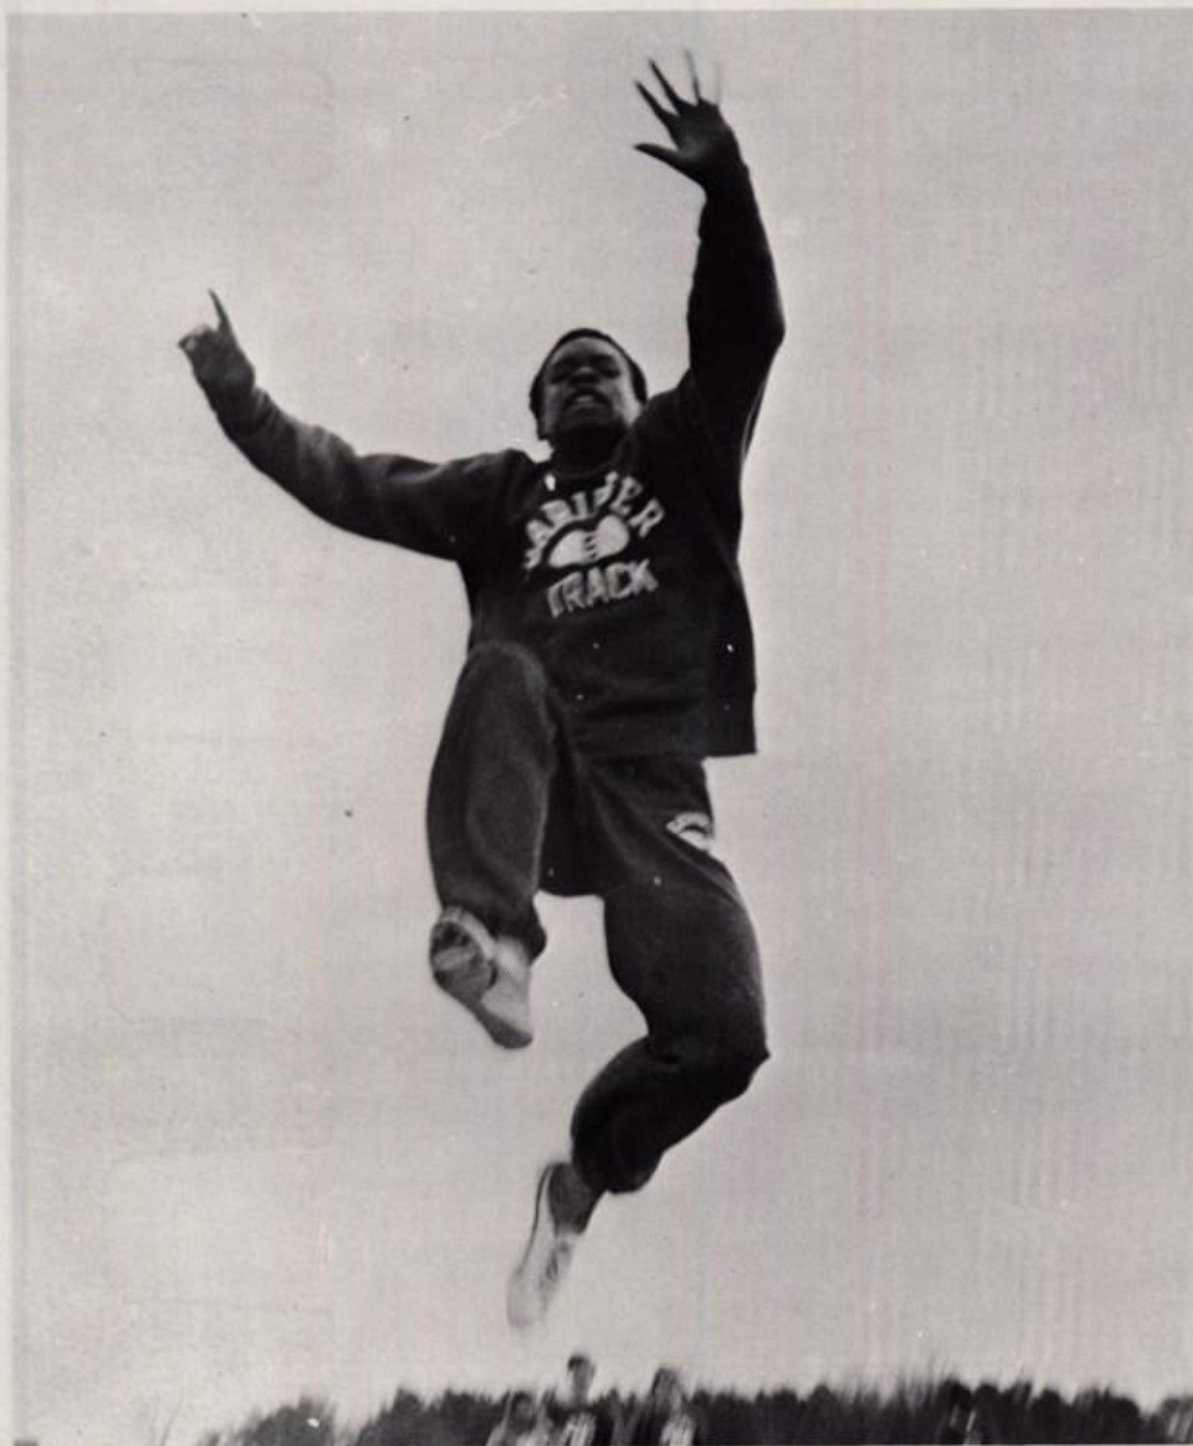

Ponce, Richard Fields, Bill Stiles, Bob Carriker, Charlie Kirby, and Darrell Bowen. Promising sophomores should offer points also. Practice sessions in early (and chilly) February will surely aid the team in the long run. This factor, coupled with daily sessions during the season and the added excitement of each meet, should boost the team to an impressive record.

Aquacats Scuttle Foes

In their second year of existence, the Aquacats of Garinger found water to their liking. Long hours of practice at unheard of hours enabled the team to progress and challenge local swimming powers. Coached by Mr. Jim Edwards and aided by Sharon Thomas, the team strengthened its stroke technique

and endurance. Led by co-captains Mike Primm and Larry Wilson, the team posted many victories and second place finishes. Ricky Grimes, Jim Isenhour and Robin Foster excelled in their respective events of breaststroke, freestyle and backstroke.

Reddy To Rock

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more.

Pride in Garinger . . . Forever!

How many of us can truthfully say that we have stopped and looked at Garinger High School as it really is? Indeed, there have been many changes over the years; all one has to do is look around and he can see many of them. However, there is one thing about Garinger that will never alter — PRIDE. That one important thing is what makes students cheer even when we lose a game; it makes people pick up papers, stay off the grass, and show that they really care about GHS in every way. No matter how many surface changes occur at Garinger, the school itself will always stay the same as long as everyone keeps shouting, "I'm a Wildcat, couldn't be prouder" . . .

Pictures, Captions, Copy, Deadlines . . .

These have all been a large part of my life for the past year. At first, it seemed as if I were facing an impossible task, but slowly all of my "annual problems" disappeared, and the dream of the 1970 SNIPS & CUTS became a reality that I will always treasure.

With the help of many wonderful people, I finally made it through three headache-filled deadlines. I would like to take this opportunity to thank the following people without whose help and cooperation the 1970 SNIPS & CUTS could not have been completed:

Mr. Ron Norman of Keys Printing Company for being so very helpful whenever I needed him.

Mr. Ed Sanders for being so helpful and patient in helping me solve many of our problems. Also, a special thanks to three very special faculty members — Mrs. Shirley Hamilton, Mrs. Catherine Sanders, and Mrs. Nadine Sinclair, all of whom were most patient and understanding with me and all of my annual problems.

Singer Tommy Roe for judging our beauties and Jack Gale and Long John Silver for helping us get in contact with Tommy.

Mr. Jesse Reich, my advisor, for putting up with me and how little I really knew about yearbooks.

My staff, especially those who gave up many week-ends to work at my house.

My parents for being so patient and encouraging during hectic deadlines.

Finally, I would like to thank all of YOU — my friends — whom I hope will find this annual an acceptable memory of the past year at GHS.
